

2021 - 2022

Dear 4th Grade Students and Parents,

Welcome to the wonderful world of fourth grade at Sunnyside Elementary School! We are so excited to return to five days of learning! This year you get TWO teachers - Mrs. Amy Brogen and Mrs. Tiffany Winterstine! We hope you are excited about all of the wonderful possibilities of learning that awaits you in our classroom this school year.

Mrs. Brogen:

This is my 11th year of teaching 4th grade in the Smyrna School District. I am eager to incorporate many interactive and innovative techniques for Math, Science, and Social Studies. I have an optimistic outlook and an eager personality that fills my class with excitement and an enthusiasm to learn. I truly believe if it doesn't challenge you, it doesn't change you. We will work every single day to the best of our abilities and continue to grow socially, emotionally, and academically through this year!

Mrs. Winterstine:

This is my 7th year of teaching at Sunnyside Elementary School. I have been an avid reader since I was a child and I dream to write my own book one day! I hope my passion for reading instills a lifelong love of reading and writing in each of you! I believe and teach that all identities and cultures should be acknowledged and celebrated! One of my favorite quotes by author Jacqueline Woodson says, "There will be times when you walk into a room and no one there is quite like you until the day you begin to tell your stories." I look forward to hearing each one of your stories this year!

We look forward to meeting each and every one of you!

Love, Mrs. Brogen and Mrs. Winterstine
