

SUMMER NOT-ASSIGNMENT FOR RISING JUNIORS IN IB HISTORY OF THE AMERICAS

I am simply asking all rising Juniors in the IB who are taking HL History of the Americas in the Fall to sign up to a Summer eCampus course where they have some materials available to help prepare for the upcoming year. Recommend watching the Gilded Age documentary and reading some of the primary source documents. This is only a recommendation – and the closer it is done to the opening of school, the better (so it is fresh). It is for your enlightenment only, no actual “assignment” – just a recommendation.

Here is the link to sign up:
