

Amy Utkan

A little bit about me...

Family

I have been married for over 20 years and we have two incredible children and a crazy yorkie.

Hobbies

Outdoor activities

Drinking coffee

Spending time with my family

Favorite places

Home

Bookstores

Parks

Gardens

Education

I have a BS in Statistics and an MS in Industrial Engineering from the University of Florida. I loved my years at UF and now my daughter is studying there.

Career

After spending the first few years of my career as a consultant and a systems analyst, I moved to Istanbul, Turkey and worked as a preschool teacher for 15 years. Upon returning to the states, I went back to my educational roots and began teaching math and science.
