Dear Leilehua Families,

We are approaching the final stretch, only two more months of school remaining. I would like to encourage all students to take any necessary steps so they may pass all of their classes to graduate on time or be promoted to the next grade level. As always, we are here to support you and help you be successful, but you have to meet us halfway and be responsible for your own learning and decisions.

The final two months will be filled with many end of the year culminating activities and celebrations such as:

- **College Fair**, Wednesday, April 12, 2017 @ Leilehua Library

 - Seniors and Juniors wanting to participate in the Graduation Ceremony, please remember the HIDOE Commencement Agreement will be enforced during the fourth quarter.

Finish the year strong and make good choices. 👍

Please ensure your child's outstanding obligations are cleared so they can participate in some of these events. For a current print out of your child's obligations, please see the front office.

March 8, 2017

Dear Families,

Hawaii State Department of Education (HIDOE) 's School Food Services Branch is transitioning our electronic meal counting system to PrimeroEdge throughout the month of March. It is a comprehensive meal counting system that will allow for the seamless transfer of student balances within HIDOE schools, as your child progresses from elementary through high school. The program will allow parents/guardians the ability to view purchases and deposits via PrimeroEdge's SchoolCafe website and mobile application.

Student eligibility and balance data is in the process of being transferred to PrimeroEdge from the prior system. During this transition, you may notice fluctuations in your child's meal account balance. By the end of the transition period, all student and adult balances will be imported and manually checked to ensure each account balance is correct. You may continue to deposit funds, and purchase meals during this transition, as the balance import will not affect all other transactions conducted in the meal counting system.

PrimeroEdge notification letters that are sent home will have a new look. The eligibility notification letters, balance reminders, and receipts may look a little different as your child's school transitions into the new system.

In the future, SchoolCafe will allow families the ability to see daily menus and basic nutritional information as well, and make online deposits to meal accounts with a nominal convenience fee.

Thank you for your patience and understanding as we work towards giving families more accessibility and control over their child's meal accounts.

If you have any questions or concerns, please feel free to call the school office at 305-3000.

GUIDELINES FOR A SAFE COMMENCEMENT CEREMONY

Parents and Guests,

This is our SY 16-17 stats:

Total first time donors: 133

Total pints collected: 267

Total lives saved: 801
