Principal's Message

Dear Leilehua Families,

Happy Holidays! I hope everyone will have the opportunity to spend some time with family and friends during this holiday season. Please take care and be safe during the Winter Break. School will resume on Wednesday, January 5, 2022.

As the first semester comes to a close, please remind your child(ren) to monitor their academic progress so they can put themselves in a good position to be promoted to the next grade level or graduate on time. To assist with student academic success, we have additional access to their teachers and tutoring opportunities in the afternoons. We also have grade-level counselors and vice-principals to enhance your child's high school experience. Please reach out if your child needs support.

As a reminder, during the second semester, we will continue to provide distance learning for students that are concerned about COVID. There will need to be new agreements signed so please be on the lookout for the intent survey. Please keep in mind in-person learning is the best learning environment for students, but we are offering distance learning as an option for students. Students in distance learning will not be able to participate in school events since the concern is due to COVID.

Lastly, we are all continuing to deal with COVID. We must all do our part to keep each other safe. Please remind your child(ren) to properly wear their mask at all times. Avoid unnecessary public gatherings to reduce the possibility of exposure or at least limit the time spent in close proximity to others. If there are changes to the COVID restrictions, we will communicate them as the information is made available to us. Please stay safe and enjoy the winter break.

Happy Holidays and Happy New Year!

Sincerely,

Jason Nakamoto

It was a great success!

ANTI-FUNDRAISER

Fundraising is an important part of the Leilehua PTSO. In past years, we have awarded scholarships, purchased awards, and provided school items and teacher appreciation events and gifts. This year, due to the pandemic, we are looking for creative ways to fundraise. If you don't want to sell anything, bake anything, buy anything, or generally want to avoid fundraising of ANY kind, this is the fundraiser for you!

Thank you in advance for your support!

- ___\$10: I do not want to bake, so here is the money I would have spent on those cookies.
- ___\$20: I do not want to hit up friends, family, and co-workers, so here is the money I would have spent buying wrapping paper.
- ___\$30: I do not want to walk, hike, swim, or run in any activity that has the word "thon in it. Here is the money I would have spent on my child's "free" t-shirt.
- ___\$40: I don't want to keep track of the random Thursday of the month to drive to a random restaurant to eat food that I may or may not like. Here is the money I would have spent at that restaurant.
- ___\$50: I really wouldn't have helped anyway, so here is \$50 to forget my name.
- \$___: I am making this donation to express my appreciation for having nothing to buy, sell, or do except fill out this form.

\$___ Total Student's Name: _____ Grade: _____
Parent's Name: _____

Please make checks payable to Leilehua High School PTSO
and return to LHS main office along with this form
OR you can scan the QR Code

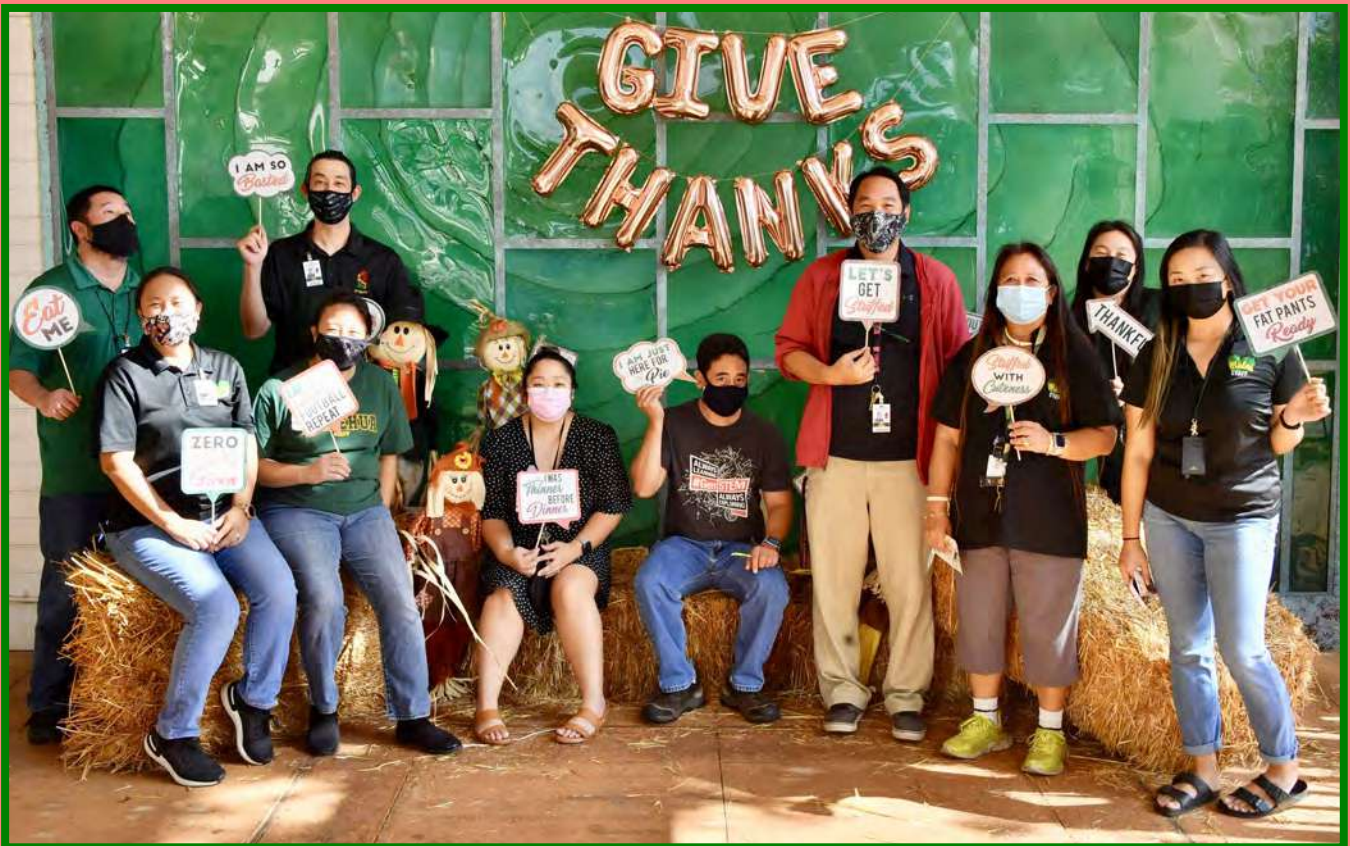

Any way you slice it, our LHS staff is amazing!! On November 24th, the PTSO wanted to say how thankful they are for the staff at Leilehua, so they provided a slice of pie for every staff member. Thank you to Tonya's Pies for providing several free pies and thank you to the students and parents who came out to help serve our wonderful school.

What is Tutor.com for U.S. Military Families?

Tutor.com for U.S. Military Families (Tutor.com/military), is a program that allows eligible students in grades kindergarten through college to connect to a live tutor online at any time (24/7/361) for one-to-one help with homework, studying, test prep and more, at no cost.

Who is eligible to use Tutor.com/military?

Active Duty Military, ROTC, Wounded Warrior, Reserve, DoD and Coast Guard military service members, civilian personnel, and ALL dependent family members are eligible to use Tutor.com/military when the service member is in either active/full-time or parttime/traditional drilling status, wherever they are located. Also, all DODEA students are eligible to use Tutor.com/military regardless of their parents connection to the military.

Which subjects can students get help with?

Tutor.com/military has expert tutors in over 150 subjects.

Access the subject list at www.tutor.com/military.

How does Tutor.com work?

Tutor.com has more than 3,000 background-checked tutors that provide expert, on-demand academic support, 24/7.

Eligible students worldwide can access the online service from any Internet-enabled device for real-time help in more than 150 subjects, plus standardized test prep and more.

Students and tutors work one-to-one in a secure online classroom; that uses text or voice chat, interactive whiteboard, graphing calculator, file sharing, text editor and more.

In addition to receiving real-time tutoring and homework help on demand, students can also choose to schedule future online tutoring sessions and submit papers for offline tutor review. Feedback on papers, essays and other writing projects that a student uploads and submits for tutor review will be available in “My Sessions” in a student’s Tutor.com account within 12 hours.

Regardless of how a student works with a tutor, a tutor will not simply provide answers, but will help a student learn how to approach a question and come to an answer. Our tutors do not “teach” topics or lessons, but rather help students better understand how to answer the questions students bring to their tutoring sessions.

The Hawaii State Department of Education and
the Military Interstate Children's Compact Commission (MIC3)
Hawaii State Council

presents the

2021 Military Interstate Compact 101 Training

for Department Staff; Complex Area Superintendents, Principals, Counselors, Registrars, Transition Coordinators; Military Family Support Providers; and Parents

Tuesday, December 14, 2021, 1:00-2:00pm HST
Virtual Zoom Session

Background:

When initial efforts to pass the Compact in 2008 reached an impasse, an ad hoc task force was appointed by the legislature to resolve the differences with the model language. In June 2009, the state of Hawaii adopted the *HRS Chapter 311D, Section 1-3* and became a member of the *Interstate Compact on Educational Opportunity for Military Children*. All fifty states and the District of Columbia are members of the Compact, and all Hawaii public schools are mandated to comply with the Compact rules and regulations.

Hawaii's language expanded representation on the State Council to include representatives from all active-duty services and includes the U.S. Coast Guard (U.S. Department of Homeland Security) and U.S. Indo-Pacific Command. In addition, Hawaii included education leadership from all heavily impacted school complexes as well as the Hawaii Department of Education (HIDOE) Military Liaison.

The purpose of the Compact is to remove barriers to educational success imposed on children of military families because of frequent moves and deployment of their parents.

Session facilitators:

- MIC3 Hawaii State Commissioner, Kathleen Berg (Brig Gen, ret. USAF)
- MIC3 Executive Director, Cherise Imai

The session will address:

- Why the Compact is important
- What you need to know
- What the Compact covers (and doesn't)
- Case studies
- Resources, information and assistance

Note: Attendees can receive a course certificate of completion on request.

Register by Friday, December 10th via: <https://bit.ly/hicompact101>

After registering, you will receive a confirmation email containing information about joining the meeting.

Questions? Contact: Cherry Okahara, Military Liaison, HIDOE at 808-271-5724 or cherry.okahara@k12.hi.us; or Lindsey Dablow, MIC3 at 859-244-8067 or [email ldablow@csg.org](mailto:ldablow@csg.org).
