- 5/25 Periods 6, Makeup
- 5/26 Makeup/Last day for students

**August 1, 2016** 9th Grade orientation (9th grade only)

**August 2, 2016** All students report to school

Please refer to the following attachment regarding *Guidelines to a Successful Commencement Ceremony*. It is a school-sponsored activity and all school rules apply.

In addition, please keep in mind our new bell schedule for SY 16-17. (See attached) The morning bell will ring at 8:10am. Students are expected to be in their classes by 8:20am.

I would like to thank everyone for your continued support and commitment to our students' success; it truly takes a village to raise a child. Together, we will continue to make Leilehua the best place for our students to be successful and reach their goals.

**Congratulations to the Class of 2016!** We wish you the best and are extremely proud of you.

Remember.....Once a Mule, Always a Mule. Good luck in your future endeavors.

Relax, enjoy, be safe, and have a Muletastic Summer!

Sincerely,

Mr. Nakamoto

## GUIDELINES FOR A SAFE COMMENCEMENT CEREMONY

Parents and Guests,

Leilehua High School is committed to providing a safe and secure environment for our Commencement Exercises. Given the unfortunate incidents of the recent past, we must all be very diligent about safety and not assume the volatile situations cannot happen here in Hawaii. We ask for your full cooperation to insure that we all enjoy the kind of Commencement Exercise that characterizes our Leilehua Spirit and Pride.

*Please be advised that the following rules will be enforced:*

1. **NO alcoholic beverages.** Leis made of alcoholic beverages will NOT be permitted into the stadium. Please be reminded that individuals in possession of open containers of alcohol are subject to arrest.
2. **NO coolers and/or large bags** will be permitted into the stadium.
3. All spectators must stay outside the fenced area of the field until after the graduates have completed the Commencement Recessional. Gates to field will be opened when graduates reach to their Alpha stations.
4. In the event of an emergency, police and security personnel will direct guests out of the stadium.
5. In the event of an electrical power outage, or extreme weather event, the Commencement Exercises may be canceled or moved to a different location. An announcement to that effect will be made with a bullhorn.
6. Our seniors have been advised that should a graduate pose a safety hazard, the Commencement Exercises will be canceled. An announcement to that effect will be made and all guests will be asked to fully cooperate with our directives to insure a safe graduation ceremony setting.
7. Seniors who demonstrate inappropriate behavior will be escorted off the field and forfeit participation in the Commencement Exercises.
8. All graduates and guests are requested to exit the stadium by 8:45 PM.

# Class of 2016 Graduation Ceremony Information

Graduation services for the Leilehua Class of 2016 will be held at Hugh Yoshida Stadium on school campus. For the safety of those in attendance, we are requesting that stilettos or any footwear with pointed heels not be worn on the field. In order to maintain the field's playing surface, no food or gum chewing will be allowed on the field during and after the commencement ceremony. **Alcohol, coolers, and air horns are not allowed on school grounds or in the stadium.**

## Handicap Parking

There are a limited amount of handicap stalls for graduation. In order to access handicap stalls you must have a valid handicap placard issued by the City and County of Honolulu. Handicap parking passes can be reserved by calling Len Nakasone at 808-305-3142. Passes will be issued until all the stalls have been reserved. A limited amount of "walk in" handicap stalls will be available on graduation day on a first come, first serve basis.

## Shuttle Service

### Additional Parking/Shuttle

Limited parking will be available on the campus and a FREE shuttle service will be provided to help with parking. A Shuttle will be in operation from **5:30 pm to 6:30 pm** for Wahiawa Middle School Parking Lot (pick-up at Middle School and drop-off at Leilehua Campus). The return shuttle service will be in operation from **7:30 pm to 8:30 pm** (pick-up from Leilehua Campus and return to Wahiawa Middle School)

**\*\*\*DO NOT leave valuables in the car! Leilehua and Wahiawa Middle will not be responsible for lost or stolen items.**

**This year, the iReady Students had their tuition and books paid for by the federally funded University of Hawaii P-20 initiative... the students got their college credits for free!!!** The iReady program is an excellent way for students to become familiar with the rigor of college level work, college requirements, and most importantly, deadlines that the professor establishes. The iReady class provides the student face-to-face support and computer access to complete the college course assignments during the school day on the Leilehua school campus. Based on information from our former iReady students, all college credits earned through the iReady class were accepted to the colleges they are currently attending, both local and mainland schools.

## FEDERAL SURVEY CARDS

Aloha Families,

Thank you for getting your Federal Survey Cards completed and returned to your child's teacher! If you have not already completed and returned your Federal Survey Card, please complete information and have your child return it to their Period 2 teacher. A card must be completed for every student that attends a public school in Hawaii. For our Army families that have not completed and returned your Federal Survey Card, please do so as soon as possible and return them to front office.

Thank you,

# PTSO News.....

PTSO would like to take time out to thank all the families who helped make our year a great one!!! PTSO was very busy in April and May getting ready for the end of the year.

PTSO had a McDonald's Night on April 25<sup>th</sup>. We would like to thank all who came out and supported us and to all who came out and volunteered their time to make it a successful night. We would also like to thank LHSSA for making the awesome signs!!!We DID make out goal☺

PTSO was able to provide three scholarships again this year, The Mighty Mule worth \$1000.00, awarded to Paulina Reyes. The Minehira worth \$500.00, awarded to Ethan Toriki, and the PTSO scholarship worth \$500.00 awarded to Kelly Jonas. Congratulations to all for setting such great examples to your peers. These scholarships were awarded to the recipients at the Convocation Ceremony held on May 4.

PTSO/PCNC along with many wonderful parents and businesses in the community were able to give our teachers a fabulous luncheon during Teacher Appreciation week.

PTSO would like to expand what we do at Leilehua but we need your help as parents, students and teachers. If you are interested in helping, becoming a member, or just donating to a good cause, please contact Karl Spix.

# HAWAII HIGH SCHOOL AUTO ACADEMY

First Hawaiian Bank.

The Hawai'i High School Auto Academy targets high school students interested in the automotive industry in which they participate in an unpaid internship at a [Cutter dealership](#) in the mornings, then attend classes at Honolulu CC in the afternoon, five days a week for six weeks to total 120 classroom hours. Upon successful completion of the program the students will receive four college credits towards an Associates of Applied Science (AAS) degree in [Automotive Technology](#).

The innovative summer program began as a collaborative partnership between Honolulu Community College, [First Hawaiian Bank](#), Waipahu High School and the Cutter Automotive Group in response to a shortage of trained workers in the automotive technology industry.

Since the program's inception in 2004, the bank has contributed over \$125,000, which covers the cost of tuition, tools and supplies.

## DETAILS

- Six week summer automotive experience for Juniors and Seniors.
- Intern at a Cutter Dealership and learn theory at Honolulu Community College.
- Receive 4 college credits towards an Associate of Applied Science degree in [Automotive Technology](#).

**Deadline to Apply: Monday, June 6, 2016**

## HOW TO APPLY

- Completed Application
- Driver's License required by **June 13, 2016**.
- Interview will be scheduled.
- Health Clearances (MMR & TB required)

## PROGRAM TIMELINE

- Program runs five days a week from **June 13, 2016 to July 22, 2016**.
- AM internship with a Cutter Dealership
- PM class work at Honolulu Community College
- Completion Ceremony - **July 22, 2016**
- If you are interested in the program, please email us at [autoacad@hawaii.edu](mailto:autoacad@hawaii.edu).

## **LHS is offering a new Engineering pathway beginning 2016-2017, but why not get a kick start by spending your summer at HCC's Summer Engineering Academy.**

Honolulu Community College is pleased to announce its upcoming Summer Engineering Academy. Space is limited so please apply as soon as possible. Only 60 students will be selected for the Engineering Academy. Program details are as follows:

June 6, 2016 to July 15, 2016 from 8:00 AM to 12:00 PM, Monday - Friday. No meetings on June 10 and July 4 due to State Observed Holidays

Application Deadline: May 27, 2016 Registration fee is \$150.00 (was \$225) Click here for on-line application: <http://honolulu.hawaii.edu/robotics>

### Summer Engineering Academy

Summer Engineering Academy, or SEA, is an intensive summer program that offers the student the opportunity to learn, to think, and problem-solve like an engineer. **Students will apply their knowledge of math and science to practical projects, and see concepts they learned in high school classrooms come alive.** Through lab work, group projects, lectures and assignments, you'll learn how engineers approach real-world problems. The students will meet other students with similar interests and collaborate on testing theories and find solutions to engineering problems.

**We are currently planning to explore the engineering fields related to micro-robotics, microprocessor programming, and 3-D printing.** All these engineering disciplines just so that we can create micro-robots that will be competing with others for a robotics competition. You will have to design, build and program a micro-bot that is 1 cubic centimeter, and a 1 cubic inch maze solving robot.

**Mechanical Engineering, Electrical Engineering, Product Engineering, Mechatronics, are the primary engineering fields that will be explored.** Ever wonder how they made that thing move, or how they fit everything into that small a body? That is what engineering is all about. Engineers make things work and fit where they need to go.

As students complete SEA projects on materials, structures, chemical processes, circuit design, computer programming, robotics, and other topics, they will gain insights into which engineering fields best match their abilities and interests. These modules will be two weeks in length and 4 hours long each day. Students will rotate through each module.

**Students will also take a college success class to prepare them for entry into the University System.** This class is designed to orient students to the college setting. Students will be able to identify campus resources, demonstrate knowledge of college procedures, discuss definition of success and evaluate their important life roles. Students will attend this course during the 3<sup>rd</sup> week of the program.

**Prerequisites are completion of geometry, completion of physics, or chemistry or biology and basic computer skills.**

# SUMMER ENGINEERING ACADEMY

Imagine you are Matt Damon in "The Martian," trapped on Mars with no way home -- or a member of Apollo 13, scrambling to save your crew with only the scant materials on board the ship. These are the kinds of almost-impossible tasks engineers have to deal with every day. Through this course, you will learn how to tackle that kind of problem solving, as well as the basics of Electrical Engineering, Mechanical Engineering, Computer Programming, including electronics, prototyping, writing code and more as you explore what makes the world around you move and function.

To the graduating class of 2016.....

**Congratulations to you all!!!**

The future belongs to those who believe in the beauty  
of their dreams.

Eleanor Roosevelt

Graduation isn't the end of a tough journey it is the beginning of a  
beautiful one.....

“All our dreams can come true, if we have the courage to pursue them”

Disney

Chase your dreams, burst out at the seams, never stop trying, never stop  
learning, live life to the fullest, give it nothing but your best.....

Keep calm. Nobody else knows what they are doing either!!!!
