Principal's Message

Dear Leilehua Families,

This quarter is relatively short due to the many holidays, so students must remain focused and keep up with their work. Students that attend all classes consistently, generally receive higher grades than those who don't. Please remind your child(ren) to attend school daily and be on time for class so they don't miss out on learning opportunities.

As mentioned last month, we are pleased to bring back iNight in person. iNight is our registration event where underclassmen will select their classes for the following year. It is scheduled for November 16, 2022, in our gym. This is an excellent opportunity to have discussions with your child(ren) about their future classes. Please stress to your child(ren) the importance of choosing their elective courses wisely. We firmly believe in creating a school schedule based on student needs and requests. Our staffing is based on students' course requests so it is important to select classes carefully. Students will be held accountable for their course selections; therefore, preference changes WILL NOT be made.

If you have any questions about courses or graduation requirements, please contact your child's Counselor or Vice Principal. We are here to support you and your child and to provide the best high school experience possible. Stay current with our social media feeds and school website. Also, if you haven't already done so, please download our Leilehua High School app to receive push notifications of information, events, acknowledgments, and more.

Sincerely,

Jason Nakamoto
