Principal's Message

"The Leilehua Way"
Leadership
Humility
Service

Dear Leilehua Families,

We hope the start of this school year has been great for everyone so far. We are approaching the end of the quarter and students need to put themselves in a position to pass all of their classes. As a reminder, we have free after-school tutoring every day except Wednesdays from 2:45-3:45pm and evening tutoring on Tuesdays and Thursdays from 6:00-8:00pm all in the library.

We also have many supports in place to help your children be successful. We have grade-level support structures in place to personalize and maximize your child's experience at Leilehua. Please contact your child's support team members if you have any questions.

Please be aware that we are no longer able to allow Uber Eats or any food delivery service on campus. It is a violation of the competitive food sale guidelines. Students are encouraged to eat school lunch or bring their own lunch to school.

Thank you for your continued support and stay current with updates on our website, school app, and social media feeds.

Sincerely,

Jason Nakamoto

Cybersecurity Classroom Opening

Leilehua High School recently created a new Cybersecurity academic pathway. The Honorable Senator Dela Cruz and various stakeholders from the community and the DOE were integral members of the design team that laid the groundwork for this pathway. On July 25, 2022, the ribbon was cut, signifying the opening of our long awaited Cybersecurity classroom.

Kevin Atlast

As part of his "Believe in You" campaign, Kevin Atlast shared his powerful story and encouraged both students and staff to live their lives with LOVE, EMPATHY, and KINDNESS. Kevin spent the day meeting with staff, signing autographs during lunch, and motivating our leadership students to promote a more inclusive and welcoming student life.

FREE APPLICATION FOR FEDERAL STUDENT AID

WHAT IS THE FAFSA?

Completing it is one of the most important steps to making college affordable. The FAFSA is the application that is required to be used by all schools in awarding federal student aid. If you want federal loans, federal grants, or federal work-study, you have to do the FAFSA!

Visit the
College
Career Center
in HH101 for
more help on
how to
complete the
FAFSA!

WHAT DO I NEED TO COMPLETE THE FAFSA?

- Social Security Number
- Alien Registration Number (Only for non-U.S. citizens)
- Most recent federal income tax returns, W-2s, and other records of money earned. (Note: You may be able to transfer your federal tax return information into your FAFSA using the IRS Data Retrieval Tool.)
- Bank statements and records of investments (if applicable)
- Records of untaxed income (if applicable)
- FSA ID to sign the FAFSA electronically.
 - Go to <https://studentaid.ed.gov/sa/fafsa/filling-out/fsaid> (Apply for your FSA ID ahead of time because it takes 1 to 3 days for the Social Security Administration to verify your information. If you cannot do it ahead of time then you can still do the FAFSA up to the signature page at least at the workshop.)
- If you are a dependent student, then you will also need most of the above information for your parent(s).
