

MUSIC DEVICES GUIDELINES

FOR

STUDENTS RIDING BUSES

- **Rider is responsible for own music device.**
School and driver are not responsible for lost or damaged music devices.
- **Rider shall only listen to his/her own music device and must only insert a single ear piece or bud.**
No sharing, and always keep one ear free of buds.
- **Rider must keep music at a low level.**
Music should not be heard by driver and should not be interfering with others.
- **Rider shall not have any ear piece or bud in ear during emergency evacuation drills.**
Focus should remain on evacuation drill and follow instructions of driver.
- **Rider shall always be aware of anything out of the ordinary during bus ride and remove ear piece or bud for instructions.**
Periodically look around and maintain safe, orderly and respectful bus riding behaviors.
- **Riders shall not have ear piece or bud in ear while loading or unloading at bus stops or schools.**
Focus should remain on driver and following loading and unloading procedures.
