

Music Sign-Up Information

Fall 2020

We invite **YOU** to join a music ensemble
at Elite Scholars Academy!

No experience is needed!

What can you expect from joining an ensemble?

- instruction during the school day
- a moderate amount of at-home practice
- 1 to 2 performances per semester
- fun music-making experiences to enhance your time as an Elite Scholar!

In the area of instrumental music, students may learn violin, viola, cello, or bass. School instruments are available for use. We plan to offer beginning band in fall 2021.

If your child is interested in joining **chorus**, please email Ms. Foushee.
If your child is interested in **instrumental music**, including students who already play a band or orchestra instrument, please email Dr. Musco.

We look forward to having **YOU** with us in the music program!

for sign-ups, questions, and additional information:

Chorus
Band/Orchestra
