Pasco County Schools is pleased to announce myStudent, our new gradebook and attendance platform. The myStudent parent portal is a tool designed to enhance communication and involvement for you in your child's education.

Setting up a myStudent Parent Portal Account Available on August 29, 2016

Parents will access the parent portal account through the following steps:

1. Navigate to the Pasco County Schools Website
2. Selecting the PARENTS menu <http://www.pasco.k12.fl.us/parents>
3. Select Check Grades/Attendance under the PARENT LINKS menu area located on the right side of the screen.

For the protection of your child's confidential information, we have created the following secure procedures for establishing a parent portal account. To establish a parent portal account online, you must have a valid email address and the student's birth date must be on record with Pasco County Schools. If you are in need of any assistance with setting up a parent portal account, after August 29, 2016 when the portal is opened, submit your inquiry to your student's school or submit an email to myStudenthelp@pasco.k12.fl.us. This is Pasco County School's gradebook/attendance system ticket system, which is monitored by multiple team members to ensure your question and inquiry is answered in a timely manner.

NOTE: Students will not need to set up an account and can access myStudent through myPascoConnect.
