List all school and community organizations that you are currently involved in or plan to take part in during the 2016-2017 school year:

List any offices held or other specific duties you are responsible for in these organizations (*please note- an NHS officer's duties are a priority. While participation in other clubs and organizations is encouraged an NHS officer cannot hold office in another club or organization that would create a conflict*)

Please base your answers to the following questions on the office you are seeking.

Why do you want to serve as an officer in the National Honor Society?

What skills/talents do you possess that would benefit the National Honor Society?

Share your vision for the Bartram Trail High School chapter of the National Honor Society for the 2015-2016 school year and describe how you would help to contribute to that vision.

Being a NHS officer is a greater commitment than being an active chapter member. Your attendance is expected at all meetings **and** activities unless you are absent from school or have made responsible arrangements with the advisor. You will be expected to carry out your responsibilities to the best of your ability and without constant reminders at each activity

I am willing to serve as a National Honor Society officer for the 2016-2017 school year.
