

Native American Brochure

You are to create a brochure based on the culture and lifestyle of the Native Americans. We discussed six different Native American tribes, their regions, and their culture. You are to pick one Native American tribe (Inuit, Pawnee, Seminole, Nez Perce, Hopi, or Kwakiutl), take your notes and other information you look up on your own, and create a colorful brochure with pictures to show what you've learned about the Native Americans.
DUE: FRIDAY, October 3, 2014
