

Dear

Bartram Trail High School is pleased to introduce **Naviance**. All students have access to Naviance through **STUDENT LINKS** on the **BTHS** website. To access the site, use your school login credentials ("S" Number and password).

Naviance Student allows you to:

- Build a resume, complete online surveys, and manage timelines and deadlines for making decisions about colleges and careers
- Research colleges – Compare GPA, standardized test scores, and other statistics to actual historical data from our school for students who have applied and been admitted in the past
- Research careers – Research hundreds of careers and career clusters, and take career assessments
- Create plans for the future – Create goals and to-dos, and complete tasks assigned to you by the school to better prepare yourself for your future college and career goals

We encourage you to use SuperMatch to conduct a college search and start building your "Colleges I'm Thinking About" lists.

Parents can access Naviance using the parent code assigned below.
