Legislation/Regulation Authority:

State funding for the education of students with disabilities is administered pursuant to Title 14 of the Delaware Code and the State's special education regulations at 14 DE Admin Code §§ 701 and 928. The Department of Education ("DOE") is authorized by Title 14 of the Delaware Code to adopt rules and procedures to administer and authenticate the count of children with disabilities as outlined in Chapter 17, Title 14 of the Delaware Code. The DOE is also governed by the Administrative Procedures Act as outlined in Chapter 101, Title 29 of the Delaware Code, except where specially exempted by law.

Focus of Monitoring:

To ensure compliance with Title 14 of the Delaware Code and the State's special education regulations at 14 DE Admin Code §§ 701 and 928, the DOE shall conduct verification activities to ensure districts and charter schools are allocating the units generated by special education students to support students with disabilities in the manner required by 14 *Del. C.* § 1703. These activities may include but not be limited to, on-site record reviews by staff from the Exceptional Children Resources group, as well as classroom observations, and/or interviews with teachers, administrators, related service providers, and other school staff. These verification activities will be conducted during the annual compliance monitoring process.
