INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE; AND REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Education Neoga Community Unit School District 3 Neoga, Illinois

#### Report on Compliance for Each Major Federal Program

#### Qualified and Unmodified Opinions

We have audited Neoga Community Unit School District 3's compliance with the types of compliance requirements identified as subject to audit in the OMB Compliance Supplement that could have a direct and material effect on each of Neoga Community Unit School District 3's major federal programs for the year ended June 30, 2022. Neoga Community Unit School District 3's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Qualified Opinion on Education Stabilization Fund

In our opinion, except for the noncompliance described in the Basis for Qualified and Unmodified Opinions section of our report, Neoga Community Unit School District 3 complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on the Education Stabilization Fund for the year ended June 30, 2022.

Unmodified Opinion on Special Education Cluster

In our opinion, Neoga Community Unit School District 3 complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on the Special Education Cluster for the year ended June 30, 2022.

#### Basis for Qualified and Unmodified Opinions

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States (Government Auditing Standards); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Neoga Community Unit School District 3 and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Neoga Community Unit School District 3's compliance with the compliance requirements referred to above.

Matter Giving Rise to Qualified Opinion on the Education Stabilization Fund

As described in the accompanying schedule of findings and questioned costs, Neoga Community Unit School District 3 did not comply with requirements regarding the Education Stabilization Fund as described in finding number 2022-006 for Equipment and Real Property Management.

Compliance with such requirements is necessary, in our opinion, for Neoga Community Unit School District 3 to comply with the requirements applicable to that program.

#### Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Neoga Community Unit School District 3's federal programs.

#### Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Neoga Community Unit School District 3's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, Government Auditing Standards, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Neoga Community Unit School District 3's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, Government Auditing Standards, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Neoga Community Unit School District 3's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Neoga Community Unit School District 3's internal control
  over compliance relevant to the audit in order to design audit procedures that are
  appropriate in the circumstances and to test and report on internal control over
  compliance in accordance with the Uniform Guidance, but not for the purpose of
  expressing an opinion on the effectiveness of Neoga Community Unit School District 3's
  internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

#### Other Matters

Government Auditing Standards requires the auditor to perform limited procedures on Neoga Community Unit School District 3's response to the noncompliance finding identified in our compliance audit described in the accompanying schedule of findings and questioned costs. Neoga Community Unit School District 3's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Neoga Community Unit School District 3 is responsible for preparing a corrective action plan to address each audit finding included in our auditor's report. Neoga Community Unit School District 3's corrective action plans were not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on them.

#### Report on Internal Control Over Compliance

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, as discussed below, we did identify a certain deficiency in internal control over compliance that we consider to be a significant deficiency.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiency in internal control over compliance described in the accompanying schedule of findings and questioned costs as item 2022-005 to be a significant deficiency.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

Government Auditing Standards requires the auditor to perform limited procedures on Neoga Community Unit School District 3's response to the internal control over compliance finding identified in our audit described in the accompanying schedules of findings and questioned costs. Neoga Community Unit School District 3's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

#### Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the basic financial statements of Neoga Community Unit School District 3 as of and for the year ended June 30, 2022 and have issued our report thereon dated October 13, 2022. Our opinion was adverse because the financial statements are not prepared in accordance with accounting principles generally accepted in the United States of America. However, the financial statements were found to be fairly stated on the modified cash basis of accounting in accordance with regulatory reporting requirements prescribed and permitted by the Illinois State Board of Education, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Our audit was performed for the purpose of forming an opinion on the financial statements that collectively comprise the basic financial statements. We have not performed any procedures with respect to the audited financial statements subsequent to October 13, 2022.

The accompanying schedule of expenditures of federal awards- modified cash basis is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards- modified cash basis is fairly stated in all material respects in relation to the basic financial statements as a whole.

CORRECTIVE ACTION PLAN FOR CURRENT YEAR AUDIT FINDINGS

Year Ending June 30, 2022

#### **Corrective Action Plan**

Finding No.:

2022-\_005\_\_

Condition:

The District's expenditure reports were not reviewed by someone independent of the

preparer and the District's June 30, 2022 expenditure reports included expenditures

paid subsequent to June 30, 2022.

Plan:

The District should assign an employee independent of the preparer to review the

District's expenditure reports prior to submission to ensure that expenditures are only

claimed for reimbursement subsequent to their payment.

**Anticipated Date of Completion:** 

06/30/2023

Name of Contact Person:

Kevin Haarman

Management Response:

Management will implement the auditor's recommendation for

the year ended June 30, 2023.

Kevin Haarman, Superintendent
