

St. Johns County School District

PowerSchool Account New Student & Returning Student Form

Last Modified 3/1/2022

The St. Johns County School District is using an online registration system for New Student Registration and Returning Student Verification powered by PowerSchool. A new student is defined as new to SJCS D and having never attended a school in SJCS D, or a previous SJCS D student that withdrew and is now re-enrolling. A returning student is a student who is currently attending a school within the SJCS D.

Please note: Your child's registration is not complete until you have completed the enrollment process online and it has been verified and approved by your child's school. (All students must reside in St. Johns County and provide valid Proof of Residency).

How do I get started?-

1. You will need to create a unique login and password for your account.
2. Visit: <https://registration.powerschool.com/family/gosnap.aspx?action=30575&culture=en>
3. Select "Create Account". (If you already have an account, you can simply sign in.) You will need a valid email address to create an account and complete the online registration process.

The screenshot shows the PowerSchool registration page. On the left, there is a 'Sign In' section with fields for 'Email Address' and 'Password', a 'Remember me on this computer' checkbox, a 'Sign In' button, and a 'Forgot password?' link. On the right, there is a 'Create Account' section with a heading 'With an account, you can...' and a list of options: 'Complete forms online', 'Save and return to forms in progress', and 'Print form history'. Below this list is a green 'Create Account' button, which is circled in red. At the bottom of the page, there is a link: 'Sign into your account using your cell phone number'.

The screenshot shows the PowerSchool registration page. On the left, there is a 'Create an Account' section with a heading 'Not a PowerSchool Enrollment account holder?' and a list of options: 'Complete forms online', 'Save and return to forms in progress', and 'Print form history'. Below this list is a 'Create Account' button. On the right, there is an 'Account Sign In' section with a heading 'Already have a PowerSchool Enrollment account? Sign in here.' and fields for 'Email Address' and 'Password', a 'Remember me on this computer' checkbox, and a 'Sign In' button. Below the 'Sign In' button is a 'Forgot password?' link. At the bottom of the page, there is a copyright notice: '© 2008-2019 PowerSchool. Legal | Contact Us. Version: 19.5.0.0'.

4. Once your account has been created, you can log in. Make sure you read all of the information on each screen. You may need to scroll downward to see all of the questions on the screen. Your work will be saved as you go, allowing you to return at any time to continue and complete the registration process.
5. You will only need one account per family. After you submit your first registration, you can add additional students if needed. You will be able to share family information between students, which saves time.
6. Please complete as accurately as possible. All required fields are marked as "Required". The answers you submit will be passed to your child's school exactly as you enter them. Be careful to use correct spellings, phone numbers, dates, etc.
7. Once your registration is complete and has been submitted, you can no longer make changes from your account. Please contact your child's school to schedule an appointment to bring in original documents to finalize the registration. If changes are needed, you can make them during your appointment. ***The registration process is not complete until all information has been verified and approved by the school.***
8. If you are unsure how to answer a question, please contact your child's zoned school.
9. If you experience technical issues or have questions completing the online form in PowerSchool, please contact the support line at 866-752-6850 or email support@powerschool.com. If you forget your login information, answer the security questions you set up previously to retrieve that information by email.
