NEVER STOP LEARNING — ART CHALLENGES FROM HOME! These art challenges are separated by grades but <u>you can</u> <u>choose ANY challenge from any grade level</u>. Complete one challenge per week (at least). Use any art supplies you have at home. Bring your art on your first day back to school to your art teacher. Get creative and add your own ideas! It is your ART, have fun with it!

KINDERGARTEN	1 ST GRADE	2 ND GRADE	3 RD GRADE	4 TH GRADE	5 TH GRADE
I CAN draw a butterfly and use different patterns to decorate it.	I CAN create a ROBOT by drawing (or cut/glue) and connecting basic shapes like circles, squares, triangles.	I CAN draw an ANIMAL using lines and patterns (elephant, giraffe, lion and so on).	I CAN draw a landscape image using many elements of art (line, shape, color, value, texture, space)	I CAN use elements of art (line, shape, color, form, value) to create a unique picture.	I CAN draw different size circles and turn them into PLANETS for a space composition, add stars around it and color.
I CAN draw many fish using shapes, lines, and patterns.	I CAN draw a dog and the landscape around it.	I CAN create a SKYSCRAPE by cutting and gluing together BASIC SHAPES like rectangles, squares, circles, triangles.	I CAN draw a simple cat and create designs using repeated elements inspired by Mexican Folk Art.	I CAN draw a VIKING LONGSHIP. I will draw waves in the FOREGROUND, a boat in the MIDDLEGROUND and horizon line in the BACKGROUND.	I CAN research about the famous undersea explorer and Scuba diver Jacques Cousteau, and I CAN draw my diver that looks as he is walking among sea life on the ocean floor. (inspiration book "The Fantastic Undersea Life of Jacques Cousteau" by Dan Yaccarino")
I CAN make a TRUCK by putting together basic shapes (circles, rectangles, triangles)	I CAN draw a large BOAT. I can create my SEASCAPE by drawing a clear HORIZON LINE behind my boat.	I CAN create a cool "tie dye look" using watercolor markers and foil technique (we did it in a classroom before)	I CAN create ABSTRACT ART in the style of Alexander Calder. (inspiration book "Sandy's Circus" by Tanya Lee Stone)	I CAN create a work of art using PAPER WEAVING.	I CAN create a portrait of someone using "torn paper collage" technique.
I CAN draw myself.	I CAN draw my FAMILY ;-)	I CAN draw a portrait of myself by looking in a mirror.	I CAN create a portrait inspired by an abstract artist Sandra Silberweigh.	I CAN create a portrait inspired by a pop artist Romero Britto.	I CAN draw a portrait of myself using lots of creativity where half of my face looks realistic and the other half of my face can tell others about me (hobbies, sports, and favorite things). Split face self portrait
I CAN draw a chameleon and paint him using rainbow colors.	I CAN draw a big circle where one half is the SUN and the other half is the MOON (warm and cool colors)	I CAN draw a cupcake with a fun topping.	I CAN draw the city of my dreams.	I CAN draw an animal and add texture by drawing the fur.	I CAN draw a fruit bowl still life image. I can look for inspirations from the famous French artist Paul Cezanne.
