May 21, 2010

Kindergarten Round-Up 2010

Thursday, August 5th

12 pm – 2 pm

Ride the bus together!

Kindergarten students and parents will be picked up in their neighborhood by Forsyth County Transportation. They will ride the bus together to Haw Creek. They will then have a chance to meet their teacher and complete Open House activities. At 2:00 they will be transported back to their neighborhood. Look forward to seeing you then!

School Counselor News....

2010 – 2011 School Year

With all of the economy crunches occurring this year, Haw Creek would like to offer assistance with school supplies. So if your financial needs change over the summer, please feel free to contact me at sotis@forsyth.k12.ga.us or you may call me at 678-965-5070 ext. 422126. Your child/children will receive free bookbags and school supplies. All information is kept confidential.

Hope you all have a wonderful summer!

Shelly Otis
School Counselor

If your child/children has medication in the clinic, please remember to pick up by Friday, May 28th.

Thank you
Camille Smith
School Nurse

Relay For Life of Forsyth County

What an exciting year we have had! Over 1,300 Relayers, 89 teams and more than 350 Survivors celebrated birthdays with us this year! Haw Creek's Relay team has raised \$5,405 to date, to further the mission of the American Cancer Society of saving lives and creating more birthdays through research, education, advocacy and service. We are showing communities across the globe that we are committed to making a difference in the fight against cancer. Thank you for your continued support!

~Thank you~

We would like to thank our Haw Creek's Parents for their willingness to help during our first Field Day Events.

Each student had a wonderful time with all the station activities!

Once again, thank you for all you did to make the first Field Day a big success!!

Coach Vidd and Coach Thomas

No Parking at Lakeside During Morning Car Line

Lakeside Middle School works closely with Haw Creek and we *value* that relationship. We appreciate Lakeside letting us use their parking lot when we have *special events*. They have requested that parents please do not use their parking lot in the morning during car rider line. Some parents have been parking and walking their children across the street. Lakeside has been having student activities in the morning and it is making it difficult for their parents to get in and out of their parking lot. Please help us by going through the car rider line.

For safety reasons, there should be *no parking on the street* between the two schools to drop off students in the morning. We have been told about several "close calls" from the Lakeside Staff.

Please do not park or stop your car at the gate entrance to drop off your child/children. Thank you so much for your help in keeping all of our students safe!

An Important Message from Nurse Camille

This past weekend, McNeil Consumer Healthcare and the Food and Drug Administration (FDA) issued a voluntary recall of a number of over the counter medications for children and infants, primarily in the liquid drop or suspension forms. The recalled medications have not been identified with adverse health events; however, the FDA recommends pediatricians and caregivers stop using them immediately.

Please check your Tylenol, Motrin, Benadryl, and Zyrtec products at home.

Additional Information may be found at www.mcneilproductrecall.com

Publix

Don't forget to use your Publix key cards! Additional cards can be picked up at the Front Reception area.

~Hat Day for Relay for Life~

Important Notice Concerning School Meal Accounts

As the school year winds down, it is very important to monitor the money in your child's lunch account to ensure it stays above a negative amount. The Food and Nutrition Services policy states "that a student's lunch account cannot be negative after May 1st. Students who do not have enough money on their account will be offered Peanut Butter & Jelly sandwich and milk until the account is funded.

To prevent this, it is best to send in enough money to cover your child's purchases through the end of the year (remember to add more money if your child purchases extra entrees or other items available).

The cost per lunch meal is \$1.90. If the child purchases breakfast, add **\$1.15** per breakfast. Multiply the number of times that he or she will purchase breakfast and lunch with the number of days left in the school year to know how much money will be needed through the end of the year.

If you need to know your student's account total, feel free to contact the cafeteria at bheim@forsyth.k12.ga.us or (678)965-5070 ext. 421041.

ANY MONEY LEFT ON THE ACCOUNT WILL AUTOMATICALLY TRANSFER WITH YOUR CHILD TO THE NEXT SCHOOL YEAR, EVEN IF THEY ATTEND A DIFFERENT SCHOOL IN OUR COUNTY.

IF YOU ARE LEAVING OUR COUNTY, YOU CAN REQUEST A REFUND IN WRITING TO THE FOOD SERVICE CENTRAL OFFICE.

The request should include the following information:

Child's name

School

Id#

Who to make the check payable to

Mailing address for refund check to be mailed to

This request can be mailed, emailed, or faxed to the office. Please make it to the attention of Ann Plant. If you have any questions, please feel free to contact Ann at (770)888-3473 ext. 202427 or aplant@forsyth.k12.ga.us. Mailing address: Forsyth Co. Schools Food and Nutrition Services, 1140 Dahlonga Highway, Cumming, Georgia 30040. You can also fax the request to (770)888-3464.

½ banana, and milk choice!!**

~ Summer Ideas ~

Your child needs to practice some skills to improve academically so that (s)he may be better prepared for the next school year. Therefore, make it a habit to do the following with him/her every day, starting today and throughout the summer!

Flashcards: Addition and Subtraction. You can get these at a dollar store. Multiplication, Alphabet, and more flashcards are a great tool to review materials taught during the school year.

Time: Practice telling time....a lot! Look at the clock/watch when....

- Your child watches his/her favorite TV show.
 - When (s)he eats. --When (s)he finishes eating.
 - When (s)he goes out to play --When (s)he comes back from playing.
- Discuss how long something took.

Money: In a bowl have real money and play “store” at home. Sell him/her snacks. (S)he would have to pay for whatever (s)he wants and (s)he will have fun while learning/reviewing to count money...and give Change back!

Reading: Have your child read everyday. At least 30 minutes per day ask him/her questions About what (s)he read.
