Samuel E. Kalama Renaissance Program Celebrating Excellence!

The Renaissance program is modeled on a nationwide initiative which encourages achievement in academics and character building endeavors and demonstration of positive citizenship within our community. Participation in the Renaissance program shows connections to the HA framework and Kalama's General Learner Outcome (GLO) standards. There is no cost to join!

The Renaissance Program at Kalama Intermediate provides special reqrds to encourage scholarship and service. These rewards are earned every quarter by attaining strong grades in the Platinum, Gold, Silver or Bronze categories, performing community service and by being an overall positive community contributor.

The enrollment process can be done online. The enrollment link is also on the school website: Students>Renaissance Program.

There are paper enrollment forms found in the school library.

Community service is submitted online only. There is no paper form.

ATTENTION:

EIGHTH GRADE STUDENTS & PARENTS

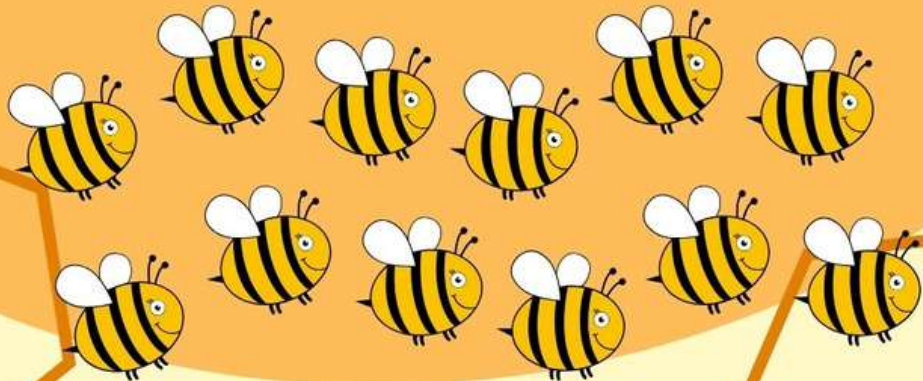

Program Sparkle is great event to familiarize students and parents with everything King Kekaulike High School has to offer. This will also help prepare students when they meet with the registrar from KKHS the following week to choose their electives.
