**YOU ARE ONE CHOICE AWAY
FROM A DIFFERENT LIFE**

Kyle Quilausing is living proof of the power of your choices.

Born in Hilo, Hawaii, Kyle's upbringing was ideal. He describes being brought up by his grandfather with wholesome family values and strong morals and ethics. After his grandfather introduced him to golf at the age of 5, Kyle quickly fell in love with the sport, dedicating every waking moment to perfecting his craft and becoming a six-time state golf champion, winning 16 titles, coming 4th in the world, and playing alongside Tiger Woods at ten years old. But after allowing his relative success to make him arrogant and prideful, Kyle was expelled from high school in his senior year, which became the catalyst for a downward spiral that eventually led him to become a 98-pound crystal meth addict, labeled Hawaii's most wanted and a menace to society.

REVIEWS

"Kyle was a one man crime wave, went to prison and turned his life around. Now he's doing motivational speeches for students in school. I wholeheartedly recommend Kyle to speak at any school, his message is powerful."
MITCH ROTH, MAYOR OF HAWAII COUNTY

Kyle Quilausing is amazing! He is such a dynamic speaker. His life stories are real to the kids, and they can relate to him and his story. He had teachers in tears, students reaching out to him, and many wanting to meet him and take photos. He had 1,000-plus students and teachers engaged from when he spoke his first words to his last. One of the Vice Principals shared with Kyle that his presentation was the best he had seen in all 22 years in the Department of Education.

**Routes have been consolidated.*

Families utilizing the restored routes above will automatically receive a two-week prorated reimbursement — one week for service disruption, plus an additional courtesy week. No application for refund is required.

For impacted families whose routes have not yet been restored, half of the Quarter 1 bus pass amount will be refunded if services are restored by September 6. If services are not restored by September 9, a full refund will be provided. No application for refund is required.

Families that would like to cancel their previous application for Quarter 1 bus services and receive a full refund can visit <https://go.hidoe.us/busrefunds> or contact their school directly. Families may reapply for school bus services for Quarter 2 and beyond as soon as the quarterly periods open. Application schedules can be found at <https://bit.ly/HIDOE-Bus>.

The Department will mail refunds to the student's address on file. Any returned or undelivered checks will be forwarded to the school office.

As bus routes continue to be restored, families will be notified directly by their school. We again apologize for the inconvenience this temporary disruption has caused and thank you for understanding that the restoration of services is a process.

As a reminder, during this temporary period of suspended bus services, the Department is offering free bus passes for public transportation **or** mileage reimbursement for impacted students who had already signed up for school bus service. For more information on free county bus passes, please visit <https://bit.ly/HIDOE-EXPRESS> or contact your school directly. Mileage reimbursement applications can be filled out at <https://bit.ly/HIDOE-Parent-Mileage>.
