BYOT

Students have the opportunity to bring in their own technology to use for school purposes.

Students may only bring devices for which they have completed the BYOT form. Serial numbers **MUST** be included on the form. For apple products, try going to Settings, General, About, and then scroll down to find the Serial Number.

Students may only use technology when asked by the teacher. If students have technology out at other times, or go to non-approved sites, they may lose the opportunity to use their technology in class.
