

Second Grade News

WEEK OF AUGUST 17, 2020

Welcome to 2nd grade! I can't wait to get to know you and your child this year. Since we will be beginning the year with Remote learning, it is important for you to connect with me using Class Dojo. This will be my main form of communication during this time. I will be sending you information about how to sign up if you do not have the app already. I have also set up a Google Voice number for you to use to contact me over the phone if needed. It is going to take open communication with one another to help your child reach their greatest potential. I can't wait to get started!

Behavior

During this week we will be establishing our class expectations for Google Meet. Please make sure your child is on time, dressed appropriately, sitting in a quiet place, and prepared to learn.

Graded Assignments

We will give assessments every week. These grades will be posted on Infinite Campus. Please make sure you are checking often! Graded papers will be sent back to you weekly. Please review the grades with your child and let me know if you have any questions.

Homework

During remote learning students will have independent work to complete each day as they would during the normal school day. There will be no additional homework assigned because of this. Have your child read for 15 minutes every day!
