### Learning Targets:

- **Math Focus:** I CAN create and identify equivalent fractions. I CAN compare fractions with unlike denominators.

- **Language Arts Focus:** I CAN write an extended response to a text-based question. I CAN correctly use commonly confused words.
- **Science Focus:** I CAN explain that water takes multiple pathways during the water cycle. I CAN plan and carry out investigations to observe the flow of energy in water as it changes states from solid to liquid to gas and changes from gas to liquid to solid.
- **Social Studies Focus:** I CAN identify elements of a personal budget and explain why personal spending and saving decisions are important. I CAN explain westward expansion in America.

## Homework:

**Reading/Language Arts** – Read for *at least 20 minutes each night*. Please sign your child's Reading Log each evening.

Cursive Sheet

**Math** – Complete 4 problems each evening from **Weekly Math Practice Sheet**. (Due each Friday.) **Friday** - Accelerated Math Classes have a Test on Unit 3.

**Science** – (No Homework)

**Social Studies** – Quiz on 4 Key Personal Budget Terms: (budget, income, expenditures, and saving) - Students made 4 flashcards with these definitions!!

## Important Notes

- Please check your child's Communication/Homework Folder each day for important papers!!
- There is now a way to earn cash for our school through Box Tops for Education digitally. All you need to do is download the app and scan your receipts!!! The link below explains how it works.

<https://www.youtube.com/watch?v=Hh94b2BvFK4>

**Please make sure your child charges his/her Chrome Book each night!**

**Charging cords should not be brought to school!**

---

So much of success in math is dependent upon knowledge of multiplication facts. Please encourage your child to use the sites below to review his/her math facts:
