Principal's Message

Dear Families,

It is hard to believe we are into our 2nd quarter of school! Teachers have been scheduling conferences with parents to discuss Progress Monitoring Plans, which are in place for students who are not meeting grade level standards. These students receive strategic interventions to help them make progress. Teachers will continuously assess the students throughout the year to ensure they are making progress towards meeting standards by the end of the year.

Now that the first report card has gone home, it might be a great time to sit down with your child's teacher(s) and have a conference to discuss his/her academic progress. Please note that your child's teachers may request a conference on the report card, or you may request a conference on that same form. Another way to communicate with your child's teacher is to write a note in your child's planner. This planner is a great tool for you and the teacher to communicate daily if needed. Parents are encouraged to meet with their child's teacher to discuss their child's academic progress. Research shows that family involvement is key to student success. Become involved today. Our goal is to make sure every child succeeds!

I'd like to take this time to remind our families how important school attendance is. Having good attendance in school predicts future educational success! When students are here, they learn! Even though the holidays are approaching, it is important to have your children come to school on time and be ready to learn. We are hoping that having an entire week off for Thanksgiving will provide that much needed rest for all of us. Spend time together as a family and enjoy each other. Be prepared for the next few weeks of school by promoting good attendance at home.

November is a wonderful time of the year. I am very thankful for the fantastic staff, students and families at Schrader Elementary School.
Happy Thanksgiving!

Yours in Education,
Lee-Anne Yerkey, Principal

Canned Food Drive

We will be collecting non-expired canned food items up until November 16th. You or your child can bring the items to the office and we will credit your child's class with the donation (one point per can/box). The winning class for donations will receive a popcorn party!

Accepted items: canned food (veggies, soup, yams, gravy, applesauce, fruit, boxed potatoes, stuffing, macaroni & cheese, crackers, brownie/cake mix, etc.). If you would like to donate a frozen turkey to our canned food drive, the "gobblers" would be most welcomed. Additionally, your child's class will be credited a point per pound for the turkey. We've always been able to count on your generosity to help those less fortunate. We thank you in advance for anything you can do to help.

Have a wonderful Thanksgiving holiday from the staff at Schrader Elementary School.

Fitness Friday

Here was a great idea submitted by one of our students: **Parents, get out there and play with your kids!** Some fun things to do together could be going for a hike, dancing around the living room, playing hopscotch, playing ball, and bicycling.

Get moving together,
Mrs. Sally Gonzalez, Clinic Aide

Congratulations to our Teacher of the Year and to our SRP of the Year !!

Schrader congratulations go out to Mrs. Lisnock for being selected Teacher of the Year, and to our Clinic Aide, Mrs. Sally Gonzalez, who was selected as SRP (School Related Personnel) of the Year. Both ladies are very dedicated to the success of our students and families and go above and beyond their required duties to be a positive role model for all of us. Thanks to them for all they do! We would also like to congratulate the other nominees in these categories.

Box Tops for Education

You aren't throwing these little things away are you?? Each one is worth at least a dime! Please help us by cutting them out and sending them in with your student. We will provide a new collection sheet each month as a reminder to keep on collecting, but you can also send them in enclosed in a Ziploc baggie, or shoved in an envelope. Make sure your child's name is on the bag or envelope so he/she gets credit for them. Sadly we cannot accept expired boxtops, so keep your eye on the expiration date. Thank you for helping us turn garbage into money for the school.

Schrader's PLACE Program has an outstanding leader!

Tracy Potter, the manager of Schrader's PLACE program, was a finalist in the annual NNB (Non-instructional, Non-bargaining) recognition of outstanding employees program earning top billing in the PLACE category. We congratulate her for doing an awesome job for our students and families.

Odyssey of the Mind

This year, Schrader has 5 Amazing Odyssey of the Mind Teams who are meeting and practicing to prepare for their tournament coming in March. They are working hard on their teamwork, problem solving, and creative thinking! Keep up the hard work, teams!!

Don't forget to support our Odyssey Teams by coming to the Spin Nations Skating Center on November 11th from 6:30-8:30 P.M. The flyer with all the information was sent home earlier in the week. Thanks for all your support!

McTeacher Night @ McDonald's

We would love to have you join us for our next McTeacher Night on November 10th. It runs from 5:00 PM -7:00 PM and you must present the flyer that will be sent home or mention that you are a Schrader family when making your purchase in order for us to receive 10% of the profits.

As a bonus, for November's McTeacher Night, McDonald's is donating 20% of the sales! So please stop in with your flyer and help us make this event ROCK!

P.S. A trip through the drive-thru works too!

Thank you from the PTO.
