JROTC- Marines

Marketing and Management

Sports and Entertainment Marketing

Fashion Marketing

**has a GPS course that will count for a 4th option*

More Options....

- Foreign Language (Spanish, French or German, and Russian). Two years or credits of the same foreign language are recommended for students interested in college.
- CTAE classes listed on the elective handout for 9th graders. Please get involved with a career pathway, it is a great way to get some experience and gain some useful skills.
- Driver's Ed., which costs \$100, is a semester long class that is also offered to freshmen.
- **Payment is due by March 6, 2015.**

Advanced Placement

- Mainly 11th and 12th grade courses -Math, Science, English, Social Studies, Foreign Language, Art
- **9th grade - AP Human Geography**

Know what you are taking!

- **When you sign up for an elective class, be sure that is what you want to take. Consider your interests, your abilities and your goals.**
- **The master schedule is built based on student requests. Your elective requests are considered as your first choices. You may be placed in one of your 'alternate choices,' if necessary.**
- **Since all freshmen will be in Personal Fitness during the school year, coaches will make recommendations for 9th grade weight training.**
- **Driver's Ed requires a \$100 fee. In order to have Dr Ed on your 9th grade schedule, the \$100 fee is due to Sandra Sutton, NFHS secretary by March 6, 2015.**

Career Day

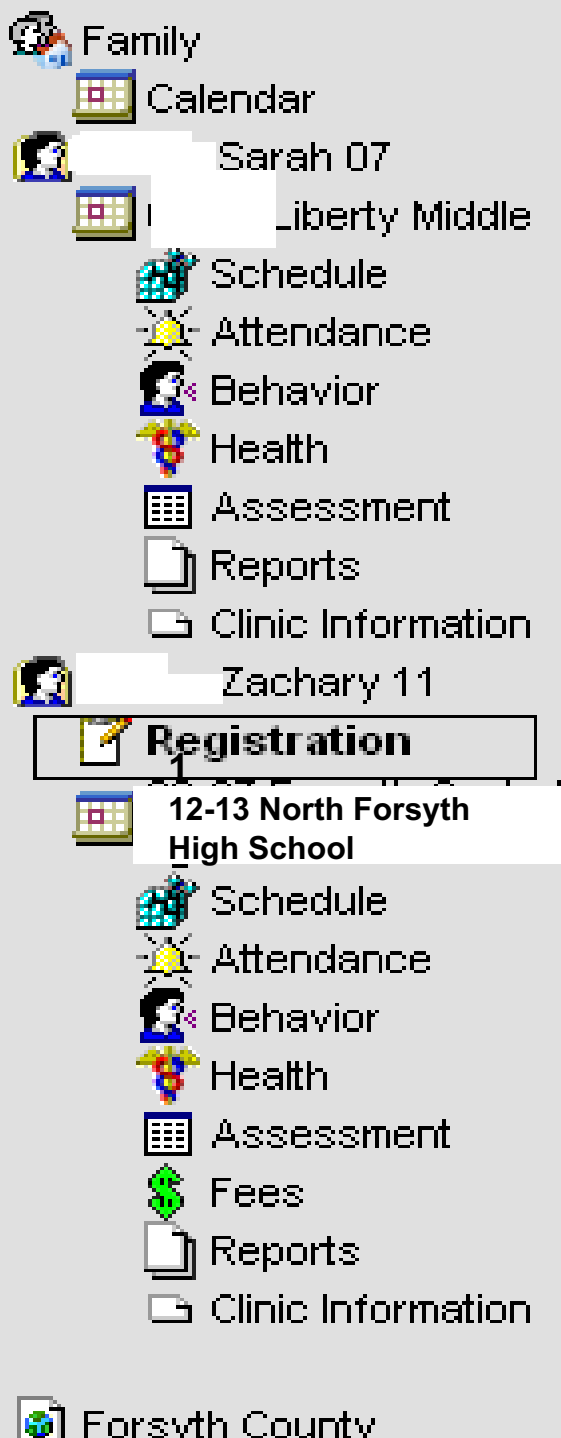

AT YOUR MIDDLE SCHOOL

**NFHS Students will be at your MS
to discuss all NFHS Electives!**
