

TUTOR LIST

* This is a list of different tutors (which include businesses, private agencies, as well as individuals) throughout the Cumming, Alpharetta, and Fulton area. The tutor information on this list is provided only as a service to our community. Our school does not endorse any particular tutor; especially since they will all be charging different fees and providing different services. Furthermore, please be advised that NFHS is not familiar with all of the individuals and private companies on this list. At the bottom of the page, we have provided a list of questions to use to help you select the best possible tutorial assistance for your child.

QUESTION: "I'M THINKING ABOUT HIRING A TUTOR OUTSIDE OF SCHOOL. WHAT ARE SOME GOOD INTERVIEW QUESTIONS TO ASK?"

ANSWER:

- 1). Could you send me printed material describing your qualifications, degrees, specialty areas and/or teaching experience?
- 2). Ask the tutor or facility for references. When calling references, ask the following questions:
 - (a). How satisfied were you when working with this individual or facility?
 - (b). What kind of progress did your child make?
 - (c). Did your child enjoy attending his/her tutoring sessions?
 - (d). Do you feel the tutor or facility was eager to see that your child received the best help possible?
- 3). What kind of services does your facility provide?
- 4). How is my child assessed?
- 5). Can I provide testing information that has been done at the local school? (Iowa Test of Basic Skills, Criterion Reference Test, PSAT, etc.)
- 6). Is testing mandatory for my child to participate?
- 7). What is the cost of testing?
- 8). Where are the tutorial sessions to be held? (ask to see the actual location).
- 9). Will my child see the same tutor each week?
- 10). What will be the cost per hour for each session? Does this include any other services besides the actual tutoring (study skills, time management, organizational skills, etc.)?
- 11). How many sessions do you feel my child will need?
- 12). How often will I receive feedback about my child's progress?
