Professional Advancement Requirements
Project (AMI, Empty Stocking Drive, etc)

Semester Summative Assessment Task – 20%

Personal Advancements Requirements (PARs) – Each cadet *is required* to complete and promote TWICE via PARs each school year. The passing score for promotion purposes is an **80 minimum**. Passing the test alone does not ensure promotion; there are other hands-on milestones and community service hours that must be met for successful promotion.

Because this is a highly interactive and student led course, promotions are very important to continuing in NJROTC during your high school career. If a student is not taking the necessary steps for promotion, they will be removed from the course. Successful minimum guidelines are as follow:

End of the 1st year – The student should be promoted to Seaman/E-3

End of the 2nd year – The student should be promoted to Petty Officer Second Class/E-5

End of the 3rd year – The student should be promoted to Chief Petty Officer/E-7

**** Leadership Academy is the reward for cadets that successfully move up the ranks and show potential to one day lead our Distinguished Unit** (Generally speaking, this happen the Summer of Sophomore Year although there are some exceptions).

Late Assignments/Make-up Policy: All missed assignments (test, class work or homework) must be made up within 3 days of the students return. It is the *student's responsibility* to request all makeup work from Platoon Commander/NJROTC instructor.

Missed Uniform assignments will only be made-up if the student is *absent*. The ***uniform must be worn on the first day that the student returns to school***. If a student cannot wear the uniform for any reason, the parent must notify the SNSI and he will determine if the student will be allowed to make up the uniform on the next available day (family emergency-hospitalization).

Missed Physical Training (PT) assignments will only be made-up via a ***hand written 2-page essay*** on a health related topic if a student is **ABSENT**. The health related topic will be added to the student's Infinite Campus record on the day that they are absent and must be completed and ***turned in within 2 days***. If a student cannot dress for PT for any reason, a parent/guardian must notify **and** submit medical documentation to the SNSI and he will determine if the student will be allowed to make up/excuse the assignment.

Required Materials: NJROTC uniforms (provided), plain white crew neck t-shirt, black non-athletic socks (**void of any logo**), black kiwi shoe polish, (paste type in a can, **not** the liquid bottle polish) mother's mag and wheel polish (**males only**), physical training uniform, plain white athletic socks, running shoes. (**Unit has sets of white t-shirts, polish (toothbrush to clean stitching around the sole), black socks and mother's polish for sale- \$10 for females and \$12 for males**).

School Locker: ***A school locker IS HIGHLY RECOMMENDED*** to store your NJROTC uniform and supporting equipment. A locker can be rented for \$5.00 for the entire year. A lost NJROTC jacket is approximately \$103. Your school locker is a perfect place to store NJROTC material when it is not required during the school day. Additionally, it can be used to store personal items that are not allowed to be in your uniform pockets during personnel inspection.

Due to the athletic requirements, students will need a Sports Physical (**Due no later than Sept 7th**). This also required for students to be able to earn their Physical Fitness Ribbon.

Classroom Expectations:

Attendance- This class will be taught in a highly interactive manner; attendance and participation are imperative for success completion. You must be at your desk at the sound of the bell:

JROTC Daily Dress Codes

- a. Uniform days- In accordance with Cadet Field Manual (**Normally Thursday**). The cadet must wear the uniform for the entire school day. **If a cadet is caught out of uniform (from the time they leave home until they return home; unless they are participating in an afterschool activity) or caught disrespecting the uniform,** they will be **given a ZERO for that day's inspection grade** and annotated in the comment section of the grade (this grade **will not** be allowed to be made up).
- b. **Examples of disrespecting the uniform follow:**
 1. Males with earrings while in uniform.
 2. Females relaxing hair from a military standard while in uniform.
 3. Wearing **headphones/earbuds** of any kind **while in uniform**.
 4. Chewing gum/eating while walking the halls
 5. Relaxing the uniform. (i.e. untucking the shirt out of the trousers, taking off/wearing unauthorized shoes, unbuttoning extra buttons)
 6. Fighting in uniform.

7. Playing games in the gym while in uniform (you ***must change*** into gym attire if you have PE).

Sometimes a student's class requires them to change into a certain type of school wear (i.e. gym or other classes that may soil or damage the NJROTC uniform). **The cadet is allowed to change into their respective school wear but must immediately change back into the NJROTC Uniform** when that particular class is over. If a cadet utilizes "uniform day" as an excuse for not participating in another class, they may receive a zero in that class (all teachers are aware of this policy).
