Mission Statement

The mission statement of the **North Atlanta High School Counseling Program** is to provide 100 percent of our students with access to academic, career, and social competencies necessary to function and contribute in a changing society.

Philosophy Statement

The counselors at North Atlanta High School believe:

- ❖ The diversity of ALL students will be embraced, celebrated, and drawn upon within our school.
- ❖ NAHS counselors should advocate for all students to ensure that no one goes unnoticed and/or underserved.
- ❖ All students should be fully prepared to graduate high school and to be college and/or career ready.
- ❖ Data should be collected and used to drive and evaluate the comprehensive guidance program.
- ❖ All students will achieve and will have equity and access to necessary counseling and guidance that promote the highest quality of education.
- ❖ The student and parent(s) are responsible for monitoring the student's educational progress with the assistance of a professional school counselor.
