

Note for Parents

Re: PowerSchool Parent Portal

Parents,

Beginning October 9th, you will be able to access your child's grades for Progress Reports and Report Cards using the PowerSchool Parent Portal. Below you will find the steps, Access ID, and Access Password you will use to access this portal. There will also be a short step-by-step instructional video posted on our school Facebook page and website.

Steps:

1. Enter the URL provided below into your web browser.
2. Once the website loads, you will have the options to either sign in or create an account. You will need to click on create an account.
3. Under Parent Account Details, enter in the information required, including email address.
4. You will have to create a password for your account.
5. Under Link Students to Account, you will be able to enter your student's name and access ID and password. You can add up to 7 students to your account.
6. Once you have provided all information, click enter.
7. You will receive a confirmation email.
8. You must confirm your email address before signing into your account.
9. Once confirmed, you will be able to sign into your account.
10. After signing in, you will be brought to the homepage of your account.
11. At the top of your homepage, you will see the students' names who are linked to your account. If you click on their name, you will be able to access their information.

Also, once you are logged into your parent portal account, you can check the School Bulletin tab to stay on top of any upcoming events that will be taking place.
