

This Week at Hagerty High School...

Principal's Message November 11, 2022

First off, I would like to wish all the veterans in our community a happy Veteran's Day! Hagerty High School supports and appreciates all our active and retired military personnel for the personal sacrifice they made to protect our country. Unfortunately, due to the closing of school for the hurricane, we were not able to hold our on-campus celebration this year.

It's hard to believe that we have had to deal with another hurricane in the month of November. I hope that you and your family weathered this storm well. If you have any need for additional community support, or know of any of our families in need, please reach out to our PTSA. They have worked closely with our school social worker to support families in need throughout this difficult semester. The support is provided discretely. We want to make sure that our students and families are cared for as we approach the holiday season!

Please continue to look for information from SCPS on the updated school calendars and any potential make-up days because of this most recent storm. They will communicate that information out directly to families.

Have a great weekend! Go Huskies!

Student Services

TRIO Connections Presents Financial Aid 101: Wednesday, November 16 in the HHS Group Projects Room. See the attached information to register and attend this event.

Current Dual Enrollment students: the Dual Enrollment tile has been removed from Clever. In order to process spring enrollment, students will need to schedule a meeting with their School Counselor and bring a completed SSC Registration Form to that meeting. Forms may be found on [THIS](#) page under *Steps to Apply*.

Thrive with 5! Are you surviving senior year? THRIVE w/5 is an opportunity to participate in activities seniors need to complete and earn entries to win fun prizes along the way! See the attached flyer for more information.

Community Service Updates: We are awaiting clarification on what type of work hours can be applied towards community service for the purpose of the Bright Futures Scholarship. We have been advised from the Florida Department of Education that students **may not combine work hours with community service hours** in order to reach the required total. Once we receive direction from the state and county regarding the type of work they will allow, we will share that information and those forms with you. Thank you for your patience.

Community service information and documents can be found at [THIS](#) link on the Hagerty website. Students may also pick up printed copies in either Student Services office. *The deadline for seniors to submit service hours is May 1, 2023.*

Please check the [Student Services 2022-23](#) Canvas Page regularly for important announcements, scholarships, volunteer opportunities, college visits, and much more!
