## November 2017 Sight Word Choice Menu

Choose one activity to complete each night (Monday-Thursday) on your own paper. You may not complete the same activity twice in one week. Once you have finished an activity, color in that activity on your choice board. Parents/guardian please initial the activity once he/she has completed the activity for the day.

Once you have finished the activity, place it in your homework folder and submit to your teacher on the following school day.
