Ms. Marziani

Marziani shared about the veteran's day celebration. Mrs. Heilman suggested water and tents for the veterans. Mrs. Marziani stated that they would be seated in the shade.

New Business

- a) Ms. Gonzalez shared iReady beginning of the year data. Mrs. Kaspar noted our biggest area of concern is vocabulary. Mrs. Gonzalez talked about how this is the plan for our school. Mrs. Gonzalez shared 5th grade students are piloting a program called vocabulary.com. Mrs. Kaspar asked if funds could be used to purchase professional development support. Mrs. Gonzalez stated that the ILC position is used to model and support instruction in the classroom. WOW Wednesdays and PLCs are focused on vocabulary and increasing student proficiency. Mrs. Gonzalez discussed math data and spoke about the use of manipulatives in the classroom and our new math coach position. They will be used to support needs in the classroom as well as the math cast team members. Ms. Robinson noted that some questions on the iReady test do not correlate to the grade level standards-this was noted by administration as well.
- b) Vote on SAC ending time. Use 5:00 as a guide. We will do our best to end at 5:00 and to keep the conversations on agenda items. Mrs. Marziani made a motion to accept the SAC ending guide time. Mr. Jackson seconded.
