They have book fairs for our school and we stick with scholastic in the fall and then a different one in the spring. Media saw 98 classes in September, there were 5 individual sign ins (where kids come in to check books out on their own) The number of library books checked out were 1,234 and the total circulation of children to come through the media center was 10, 283, the average amount of students the media center sees each day is 150. Five-Star: Amber and Linda went to a Five Star training. Our school will meet the criteria that we are the most community involved school. The kids send the project to Five Star. Fifth grade is doing a project called Spreading the Seeds to the Estuary.

Title One update: Mrs. Keffer explained the Dad's Take Your Child to School Day-it was a new event and it was a huge success. Stephanie Evans and Susan Lynch planned and executed the event. We had 488 families/members at this event. The dads and families participated in a Making Meaning event led by Mr. Mittelstadt with the book called "Dad's School." The students and dads had quality conversation and collaboration, we incorporated AVID strategies in the lesson as well.

AVID update: We had two AVID Open Houses. K, 2, 4 on one night and 1, 3, 5 on a different night.
