

This Week at Hagerty High School...

Principal's Message October 7, 2022

First of all, I hope that this message finds you and your family doing well after Hurricane Ian. We have many families who faced significant damage due to the flooding in Seminole County. The impacts on our students and staff were massive, and Hagerty is here to support our families in any way that we can. Please contact your student's school counselor if your family would like to receive some extra support during these difficult times. We have many resources available for students in need!

As you are probably aware by now, the student make-up days from the storm will be January 2nd and 3rd and March 20th. These days were published on the student calendar and approved by the School Board prior to the start of this school year. We will still hold our quarter exams for the 2nd quarter during the week of December 12-16. Student attendance expectations for the three make-up days will be the same as they are for any other school day. Please refer to our school attendance procedures if you have any questions.

Finally, Homecoming is in a couple of weeks. Tickets for the Homecoming Dance are on sale now. The dance will take place on Saturday, October 22nd.

I hope everyone has a fantastic weekend! Go Huskies!

Student Services

Community Service Updates: We are awaiting clarification on what type of work hours can be applied towards community service for the purpose of the Bright Futures Scholarship. We have been advised from the Florida Department of Education that **students may not combine work hours with community service hours in order to reach the required total**. Once we receive direction from the state and county regarding the type of work they will allow, we will share that information and those forms with you. Thank you for your patience.
