

# OPEN HOUSE SCHEDULE

## 2022-2023

Paulding County School District

Open House is a great tradition in the Paulding County School District, and we look forward to seeing parents and students on Thursday July 28, 2022, for a preview of the upcoming school year. Students and families are welcome to visit schools according to the group times listed below. These times are staggered to allow families with students at different levels the opportunity to attend multiple open houses.

For those families who may have students with different last names, you may choose an open house session that is aligned to the last name of any of your students.
