# **CLASSROOM MANAGEMENT**

ClassDojo

Class Dojo is the platform that 3rd grade will use for parent-teacher communication as well as recording behavior points.

The point system helps to motivate students to practice behaviors that build character and habits needed for lifelong learning.

- Point system will include a mix of rewards and consequences for an overall balance.
- Any additional feedback regarding your child's behavior can be communicated via Class Dojo.

ClassDojo

## What is ClassDojo?

ClassDojo is a school communication platform that teachers, students, and families use every day to build close-knit communities by sharing what's being learned in the classroom home through photos, videos, and messages.

[https://youtu.be/RLh9c4jeA\\_s](https://youtu.be/RLh9c4jeA_s)

# Grading

Students will receive at least 3 grades each week which includes: Classwork, Homework, Tests/Quizzes, and Projects

## Grading Scale

A = 90 - 100

B = 80 - 89

C = 71 - 79

D = 70

F = 69 and below

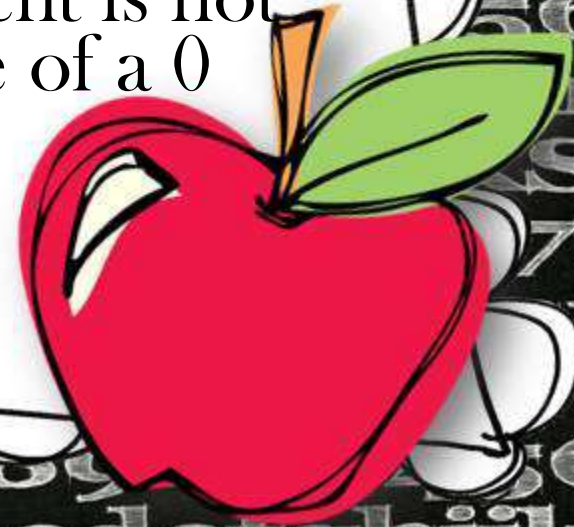

# Homework

- Homework is sent home every Monday
- All homework should be returned on the upcoming Friday.
- Please go over the homework with your child because it is a reinforcement of what your child is learning in class.
- If you have any questions or concerns about the homework, please contact the teacher.

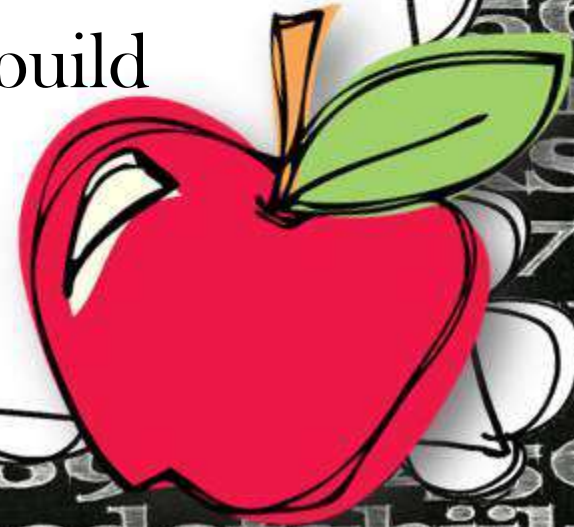

## Late Work

Students not completing & turning in classwork assignments during each class period may cause them to get behind and their grades to drop. Therefore, if an assignment is not completed during that class period, the assignment will be sent home to complete as homework, on top of normal homework. If the assignment is not returned within 2 days, the grade of a 0 may be given.

# Testing

Throughout the year, students will be administered tests through various platforms in iReady, MAP, and GMAS. These assessments will allow teachers to determine what students understand in order to build on the students' strengths and address their specific needs.
