Funding Period: Fiscal Year 2022

**Delaware Department of Education  
Opportunity Funding Form  
2021-2022 School Year**

**Application deadline: Friday, July 30, 2021**

**Purpose:** The Opportunity Funding directed to mental health services provides \$5.0 million in FY20, \$2.5 million in HB 225 (Annual Appropriations Act) and \$2.5 million authorized in HB 226 (One-Time Supplemental). With a total supplemental amount of \$7.5 million over three years, the total amount will be \$15 million *contingent on future appropriations*. The Opportunity Fund is to provide additional funding for English Learner (EL) and low-income students.

For FY21, \$2.5 million is appropriated through HB 240 (Annual Appropriations Act). The guiding language regarding these funds and eligibility was amended through HB260 (Grants- In-Aid Act). The \$2.5 million allocated is supplemented with the \$2.5 million from HB 226 as referenced above. A total of \$5 million is appropriated for FY21.

For FY22, \$5.5 million is appropriated through HB 250 (Annual Appropriations Act). The \$5.5 million allocated is supplemented with the \$2.5 million as referenced above. A total of \$8 million is appropriated for FY22.

For FY22, these funds are apportioned and allocated to schools meeting criteria based on the prior year unit count: 1) a grade configuration containing K through 4<sup>th</sup> grade and 2) greater than or equal to 30% percent low-income and/or greater than or equal to 10% English Learner enrollment. There are schools that have been grandfathered because of meeting the threshold in FY21 and not meeting in FY22. This is noted.

This funding shall be used by school districts and charter schools for *mental health services* in the form of school counselors, school social workers or licensed clinical social workers, school psychologists, and/or for additional reading supports for grades K-5. Services may include the employment of staff, where such funding may be used to cover 100 percent of personnel costs on a 10 to 12-month basis and/or contracted services.

**Allocation Method:** Amounts vary per school and that amount is indicated below. Each LEA has already received the first half of the funding; the second amount will be released upon receipt and approval of this application.

3. Are you using these funds for reading supports for your identified low-income and English learner students in addition to mental health services or in lieu of mental health services? If so, what types of supports/services will be provided?

Carrcroft will use the funds to pay for academic tutors. The academic tutors will provide daily reading interventions for low-income and English Learner students who are identified to receive Tier II MTSS instruction. We will use a variety of screeners to assist in identifying students who need additional reading support (Dibels, MAP, etc.). The academic tutors will work closely with our Reading Specialist using research based interventions in small group settings. Students will also be monitored in their ability to read and comprehend word problems and follow directions. Students will work on reading skills in all content areas.

Our low-income and English Learner students will receive lessons on phonics and decoding using Bookworms materials. We will track individual student progress through DSC and meet every 6 weeks to discuss progress and next steps. If students meet benchmark before the 6 weeks cycle, we will move students to the next lesson.

4. How will you know if these services or supports are effective?

We will have use baseline data from previous year's results (DIBELS & MAP). Based on the data, groups will be established and our low-income and English Learner students will be placed into appropriate interventions based on Bookworms' curriculum. The academic tutors will deliver lessons and assist in tracking weekly data in DSC. Every 6 weeks, the Reading Specialists and academic tutor will meet to review progress and make recommendations for next steps in the reading intervention continuum.
