Funding Period: Fiscal Year 2022

**Delaware Department of Education
Opportunity Funding Form
2021-2022 School Year**

Application deadline: Friday, July 30, 2021

Purpose: The Opportunity Funding directed to mental health services provides \$5.0 million in FY20, \$2.5 million in HB 225 (Annual Appropriations Act) and \$2.5 million authorized in HB 226 (One-Time Supplemental). With a total supplemental amount of \$7.5 million over three years, the total amount will be \$15 million *contingent on future appropriations*. The Opportunity Fund is to provide additional funding for English Learner (EL) and low-income students.

For FY21, \$2.5 million is appropriated through HB 240 (Annual Appropriations Act). The guiding language regarding these funds and eligibility was amended through HB260 (Grants- In-Aid Act). The \$2.5 million allocated is supplemented with the \$2.5 million from HB 226 as referenced above. A total of \$5 million is appropriated for FY21.

For FY22, \$5.5 million is appropriated through HB 250 (Annual Appropriations Act). The \$5.5 million allocated is supplemented with the \$2.5 million as referenced above. A total of \$8 million is appropriated for FY22.

For FY22, these funds are apportioned and allocated to schools meeting criteria based on the prior year unit count: 1) a grade configuration containing K through 4th grade and (2) greater than or equal to 30% percent low-income and/or greater than or equal to 10% English Learner enrollment. There are schools that have been grandfathered because of meeting the threshold in FY21 and not meeting in FY22. This is noted.

This funding shall be used by school districts and charter schools for *mental health services* in the form of school counselors, school social workers or licensed clinical social workers, school psychologists, and/or for additional reading supports for grades K-5. Services may include the employment of staff, where such funding may be used to cover 100 percent of personnel costs on a 10 to 12-month basis and/or contracted services.

Allocation Method: Amounts vary per school and that amount is indicated below. Each LEA has already received the first half of the funding; the second amount will be released upon receipt and approval of this application.

Questions:

1. What mental health needs of your identified low-income and English learner students will you be addressing through these mental health services funds? *(Please indicate N/A if these funds are solely being used for reading supports for the two subgroups – EL and low-income.)*

The school counselor will be meeting the following mental health needs of the diverse student population:

Anxiety

Depression

Social skills

Social school readiness skills

Problem solving strategies

Trauma Responsive classroom support and training

The school counselor's primary responsibility will be to provide the above supports with a focus on low income and English language learners.

2. What kind of mental health services personnel are you hiring or contracting (school counselor, school social worker, licensed clinical social worker or school psychologist)?

We are using the money to offset the cost of a school counselor.

3. Are you using these funds for reading supports for your identified low-income and English learner students in addition to mental health services or in lieu of mental health services? If so, what types of supports/services will be provided?

N/A

4. How will you know if these services or supports are effective?

We will be analyzing school discipline data.
The counselor will collect data to determine the next steps for students which would include continuation of services needed, scaffolded withdraw of support, or elimination of support.
MTSS data

5. Is this money is being used to contract services?

YES NO

6. Please complete the State Funds Budget Form and State Budget Summary Form (attached).
