Dear Parent,

Florida state law requires a parent or guardian to be notified when a teacher in a district school system is assigned teaching duties in a class dealing with subject matter that is outside the field in which the teacher is certified.

Ms. Equitia Sayles, who is currently instructing your child in Language Art, meets the criteria for parental notification under this law. The teacher is currently working toward certification in the desired area(s) of ESOL.

Based upon a review of the teacher's educational background, I believe that Ms. Equitia Sayles is qualified to successfully deliver instructional services to your child.

Please feel free to contact the school if you have any questions.

Sincerely,

Cindy Christidis
Principal
