Dear Panther Families,

Congratulations to our Symphonic Band students who competed last Friday on their MPAs and scored Superior ratings on both their prepared piece and sight reading!

Our Basketball teams fought hard against Jackson Heights this week with the JV Girls remaining undefeated. Come out and cheer them on against Tuskawilla next Wednesday!

Congratulations to our Battle of the Books Team who represented LCMS in the District Battle of the Books Competition on Thursday!

This past Wednesday, we held a Dedication Ceremony to officially dedicate the Tess Marini Gymnasium and the Sharon Lorenzo Library to two former faculty members who left a lasting impact on our campus. Wednesday was also Chalk the Yard, a long-standing tradition started by Sharon Lorenzo in which faculty and staff members color the amphitheater with images in memory of those lost but also as an inspiration for our 8th graders to Dream Big as they go on to high school. Pictures and video can be seen on all of our social media outlets and will be featured in upcoming Paws52 episodes. Paws52 broadcasts can be found on the Students page of the LCMS Website.

There are several events scheduled between now and the end of the school year. Please visit the LCMS website for event information.

Have a great week!
Dr. Melissa Laudani
Principal

ACTION ITEM – Current 6th Graders!!

This vaccine can be obtained from your child's health care provider. Required vaccines are also available at the Florida Department of Health in Seminole County for students with Medicaid, without insurance or insurance does not cover vaccines, or who are unable to obtain them through a private provider. Appointments are required. Please call 407-665-3700 to schedule. An updated Florida Certification of Immunization DH 680 Form must be presented to your child's school before your child can receive a schedule or enter school on the first day of classes, August 10, 2022.

Incomplete forms, immunization histories, billing receipts and notes from doctor's offices will not be accepted. Forms should be turned in as soon as possible. Any questions please call 407-871-7006.

Quarantine & COVID Policy Updates

If your child tests positive for COVID during school hours, please call the main office at 407-871-7050. If after hours, please email Dr. Laudani at Melissa.Laudani@scps.k12.fl.us Please tell us when and where the test was taken (if at home, was it reported via the app or website), what are your child's symptoms and when did they start. Once we have that information, we will provide you with a return date. We will notify their teachers.

If your child is exposed to someone with COVID on campus, you will receive a COVID Notification Letter. This is just to inform you of the exposure. If you choose to quarantine your child, you need to notify the school via the Attendance Email at LCMS_Attendance@scps.k12.fl.us You will also need to notify your child's teachers if they will be missing school as you would with any other absence.
