

Parent/Guardian Reflection Form

Student Name:_____ Parent/Guardian Name(s):_____

Advisor:_____ Post-High School Counselor:_____

We invite you to participate in the post-high school counseling process by sharing your thoughts and observations about your student. Parent insight is valuable to each post high school counselor as we employ our best efforts to get to know your student individually, help students prepare applications that genuinely reflect who they are, and to support each student's personal post-high school plans through an individualized counselor letter of recommendation. Please respond to the following questions. Specific examples, experiences and anecdotes are especially helpful.

While we welcome your honest reflections, we also respect the confidential nature of the information you share. If you prefer for any of the insights you provide to remain confidential, please indicate that as it applies to your responses.

Please e-mail your completed form to phsc@nth.s.net by January 31st.
