# Course Planning Sheets

## COURSE SELECTION FOR ACADEMIC CORE & ELECTIVE COURSES

This planning sheet illustrates common educational goal pathways of a student's course selections. These pathways assume successful completion of the previous course as well as meeting other prerequisites that may apply. It is not requisite that the pathway be followed throughout; however, each is a suggested pathway to achieve optimal success during and after high school. **This is intended as a planning guide only.**

### High School Student Educational Goal Pathways Explanation

**Traditional** – After high school, this student can enter the work force, join the military, or attend a technical or community college.

**College Prep** – After high school, this student can attend a community college or four-year university.

**Advanced Scholars Program** – After high school, this student can attend a more competitive four-year university.
