

COLQUITT COUNTY HIGH SCHOOL PERMISSION TO PARTICIPATE FORM

INHERENT RISK

We would like to take this opportunity to further inform you the risk of injuries while participating in athletics. There is an inherent risk of injury for all sports. You need to be aware of the fact that even the best coaching, the use of the most advanced protective equipment, and strict observance of the rules, injuries can be so severe as to result in total disability, paralysis, or even death. In summary, we take every precaution possible to prevent athletic injuries, but we also realize that using the best prevention methods can not eliminate all injuries. We always hope for an injury free season for all our athletes at Colquitt County High School. We assure you that in an event of an injury your son/daughter will be given the best possible treatment, care and rehabilitation of that injury.

EXPLANATION OF INSURANCE COVERAGE

We would like to take this opportunity to explain our Athletic Department's policy on the payment of expenses due to athletic injuries. Should an athlete become injured, he/she should notify the Athletic Trainer as soon as possible. He/She will recommend treatment of the injury, and if other professional care is needed and will recommend physicians who are familiar with the care of athletic injuries. When medical attention is needed, the parents insurance is primary coverage. The Colquitt County School System has school insurance, this is considered a secondary policy only.

EARLY RELEASE

From time to time, we must leave school with athletic teams before the school day is completed. When these situations arise, your child's name will appear on a roster that will be given to the attendance office and their teachers so as to inform them of the absence. Athletes on trips with their team will not be counted absent; rather they will be coded for a field trip. The athlete is responsible for any and all work missed. The athletic department is aware of the importance of education so these occasions are kept to the bare minimum.

ARREST POLICY

Students are expected to abide by a behavior above and beyond that of the average student as they serve in an ambassadorial role in our community. Those athletes that are arrested will be suspended from athletic participation until the case is dispensed. If a misdemeanor conviction follows, a committee to determine the length of suspension if any will hear the athlete's case. If a felony conviction follows, the athlete will be suspended for one year and then be heard before a committee for reinstatement.

DRUG TEST PROCEDURE

All student-athletes at CCHS must agree to make themselves available for random drug testing. The test used will be a urinalysis. An outside party is responsible for all parts of the drug testing. For a first violation, the student athlete shall be suspended for the next 4 consecutive interscholastic events or the next 4 weeks of the season, whichever is greater. If the student athlete successfully enrolls in a drug-counseling program provided by Colquitt County Schools, the suspension would be reduced by 50%. A student testing positive for a second violation will be suspended from participation in interscholastic events for the next 9 consecutive interscholastic events or the next 9 weeks of the season, whichever is greater. The full policy and procedure is on file in the Athletic Director's office.
