

Dear Referring Parent:

Attached is a referral form for the gifted program along with additional information for you to consider.

Please complete the Parent Information form and questionnaire. You may attach copies of exemplary work samples and/or products that best display your child's exceptional areas. **You do not need to have samples for every item**, just complete areas where you feel your child excels.

Return the packet to the classroom teacher, or the Gifted Program teacher at your child's school.

At the next regularly scheduled Gifted Evaluation Team meeting, the referral, along with evidence provided, previous test data, classroom performance, etc. will be reviewed. Based on all available data, the GET team will make a decision regarding further testing and a letter will be sent home informing you of the team's decision.

Should you have any questions, please feel free to contact me.

Sincerely,

Gifted Teacher/Facilitator
