Math and Reading

The Parent Resource Center includes materials for all grade levels to support students in reading and math.

Math– The math section includes games and activities to support the math programs of the school. Materials include a variety of games, flash cards, puzzles, and clocks.

Reading– The reading section includes a variety of materials to support reading. Materials include games, books, and Leapfrog pads.

Check-out Procedures

1. Select item to check-out.
2. Sign the item out on the clipboard.
3. Package item in the check out bags if needed.

Return Procedures

1. Check the returned box on the clipboard when you bring the item back.
2. Place the materials in the return spot.
3. Please return the items within two weeks.

Parent and Teacher Section

The Parent and Teacher section includes items to assist adults. The items give adults ideas and strategies on how to help children. The same checkout procedures apply to the adult section.

Assistance

If you need assistance selecting an item, please have the office call Ms. Howd.
