

Eustis Middle School

EMS Mission: *To foster a safe, positive and engaging learning environment for our students, which promotes the value of an education.*

EMS Vision: *Eustis Middle School is the home of a faculty, staff and student body who believe in each other's willingness to grow and adapt, in order to meet the challenges faced by today's students.*

Our Family Resource Center provides a place where families can find a variety of materials, activities, and training to assist in bridging the gap between family, teacher, and student.

“At the end of the day, the most overwhelming key to a child's success is the positive involvement of parents.”

Becoming involved in your child's education enriches self esteem and improves academic achievement.
