Dear students and family members,

The physical education team at our school is working with resources from **OPENPhysEd.org** to help you stay physically active and healthy while our schools are closed. In order to meet physical education goals during this time students must be physically active for 60 minutes each day. Use this physical activity log to record your activity time.

Remember, activity time doesn't have to happen all at once. You can add up your total activity throughout the day to equal 60 minutes. Students, at the end of each day ask a family member to sign next to the day's total activity. Then, return the finished log to your physical education teacher when school is back in session.

If our schools are closed for more than 2 weeks, visit
www.openphysed.org/activeschools/activehome
to download and print another activity log.

Your physical education teachers would also like you to visit the file links for your grade level on the OPEN webpage. From there you'll be able to download and print physical education resources that are fun and can be done at home.

Thank you for your cooperation. Stay active and stay well.

Sincerely,
Your Physical Education Staff

By staying active and completing this physical activity log you're meeting the following **SHAPE America** National Physical Education Grade-level Outcomes:

Estimados estudiantes y familiares:

El equipo de educación física de su escuela está trabajando con recursos de OPENPhysEd.org para ayudarlo a mantenerse físicamente activo y saludable mientras nuestras escuelas están cerradas. Para cumplir con los objetivos de educación física durante este tiempo, los estudiantes deben estar físicamente activos durante 60 minutos cada día. Use este registro de actividad física para registrar su tiempo de actividad.

Recuerde, el tiempo de actividad no tiene que usted suceder de una vez. Puede sumar su actividad total durante el día para que sea igual a 60 minutos. Estudiantes, al final de cada día, pida a un miembro de la familia que firme al lado de la actividad total del día. Luego, regrese el registro terminado a su maestro de educación física cuando la escuela vuelva a la sesión.

Si nuestras escuelas están cerradas por más de 2 semanas, visite
www.openphysed.org/activeschools/activehome
para descargar e imprimir otro registro de actividad.

Sus maestros de educación física también desean que visite los enlaces de archivos para su nivel de grado en la página web OPEN. Desde allí, podrá descargar e imprimir recursos de educación física que son divertidos y se pueden hacer en la casa.

Gracias por su cooperación. Mantente activo y bien.

Attentamente,
Su personal de educación física

Al mantenerse activo y completar este registro de actividad física, cumple con lo siguiente
