

Penny Wars Between Grade Levels

January 26th-29th

All Proceeds will go to the Alzheimer's
Foundation

Objective: For each grade level to collect the most points (pennies). Silver coin values will be deducted from the total points.

Rules:

- Each grade level will have a container located in the front lobby.
- Students will place pennies in his/her grade level container before 10:00 a.m. each day.
- Each penny is worth 1 point.
- All other coins (nickels, dimes, and quarters) that are placed in the containers will be subtracted from the total points. For example, if first grade has 200 points (pennies) and 10 dimes then 100 points will be subtracted. $200 - 100 = 100$ points.
- Students can place silver coins in other grade level containers to reduce the points.
- Penny Wars update will be announced at the end of each day.
- Popcorn party will be awarded to the winning grade level and lunch for the teachers!
- Winners will be announced January 30th on the morning news.
