Course Description: Physical Science is an 18 week (1 semester) course designed as a survey course of chemistry and physics. This curriculum includes the more abstract concepts such as the conceptualization of the structure of atoms, motion and forces, and the conservation of energy and matter, the action/reaction principle, and wave behavior. Students investigate physical science concepts through experience in laboratories and field work using the processes of inquiry.			
Class Rules/Expectations: All students are expected to... Come to class prepared to learn and to participate in all assignments and activities. Students must bring their required materials daily. Keep a notebook that will aid in reinforcing the curriculum throughout the year. Complete homework assignments when assigned. Study the material covered in class on a nightly basis to fully prepare them for future assessments. GIVE 100%		Attendance Policy: State policy defines the school year as 180 attendance days. Attending school regularly is very important if students want to succeed in school.	Tardy Policy: Tardies will be tracked by our tardy kiosk stations (student conductor). Students must have a tardy slip from the tardy kiosk in order to enter class (make sure you check their slips upon entry to class). Tardy Consequences <ul style="list-style-type: none"> - Tardy 1 & 2: Verbal warning by the teacher - Tardy 3: Phone call to parent/guardian by the teacher - Tardy 4 & 5: Lunch detention with administrator - Tardy 6: Parent conference with administrator

		<ul style="list-style-type: none"> - Tardy 7: Office referral - Students will report to their administrator and be assigned ISS.
<p>In Class Materials :</p> <p>Pen and/or Pencil</p> <p>Spiral Notebook/3 Ring Binder</p> <p>Composition book</p> <p>Chromebook</p>	<p>Classroom Format, Requirements, and Evaluation:</p> <p>This course uses a variety of classroom methods, including lectures, class discussions, group work, individual work, labs, and active student participation. Students are expected to participate in, and complete all aspects of required work to the BEST of their ability.</p> <p>Grade book Breakdown</p> <p>Practice-40% (classwork, projects, etc..)</p> <p>Assessment- 40% (tests and quizzes)</p> <p>Final Exam 20%</p>
